## Things to Remember:

1

The first 4 books are people's names, they tell us who wrote the book. They talk about Jesus' life on earth.

easy peasy lemon squeezy

2

The next book is written by Paul and he talks about what happened to the disciples after Jesus left earth and went back to heaven. acts = actions

3

The last 3 books are letters that were written by Paul to 2 cities: Rome and Corinth.

The Corinthians got 2 letters because the first letter talked about the bad stuff they were doing, and the second letter congratulated them on changing their lives, making good choices and stopping their bad habits! Praise!

**Say the first 8 books of the  
New Testament 8 times.**

Cover your eyes and  
pretend you can't see,  
just like me when God  
blinded me and  
changed my life!  
Now "see" if you can  
remember the books  
without looking! Great  
work champions!
