Once upon a time, there
was a prince who had a
problem. He always looked
sad. So his friends gave
him presents. A professor
gave him one hundred
books. The president gave
him money. Some children
gave him a box of pretzels.
But, the prince was still
sad. Then it happened. A
pretty girl bowed before
him and said, "The only
present I can give you is
myself." The prince said,
"That is the best present of
all! Will you be my
