Name: _____

There walked Speck

All big and proud

Talked about

His stuff so loud

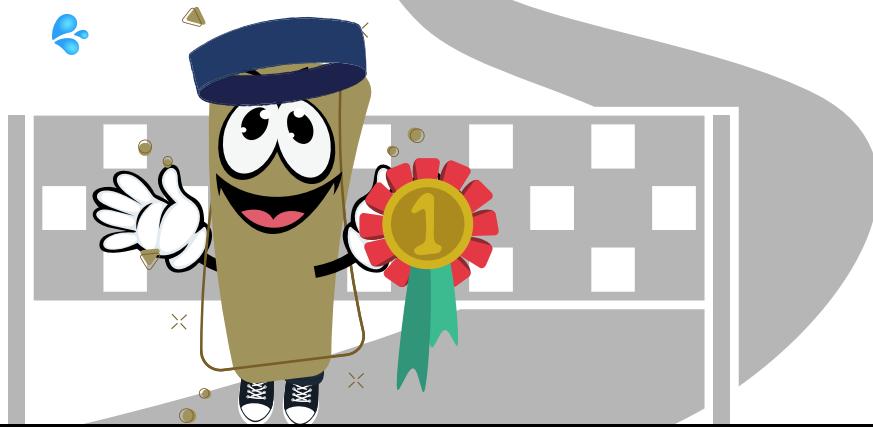

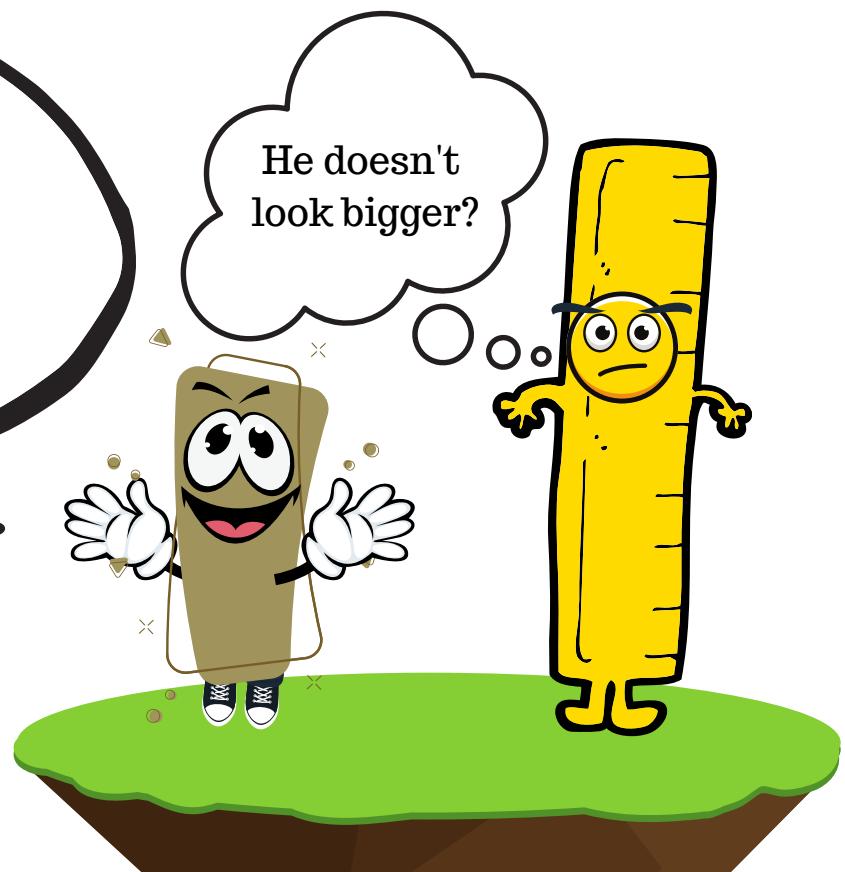

I've got this

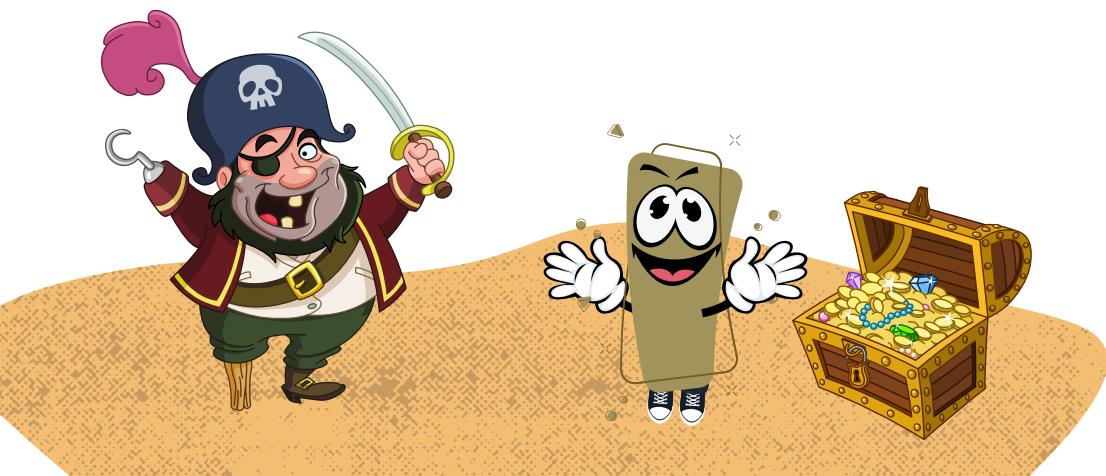

Name: _____

I'M SO BIG
THE BIGGEST ONE
NO ONE CAN BEAT ME
LOOK WHAT I'VE DONE

I won the race

No one can match

I found the treasure

Before Pirate Patch

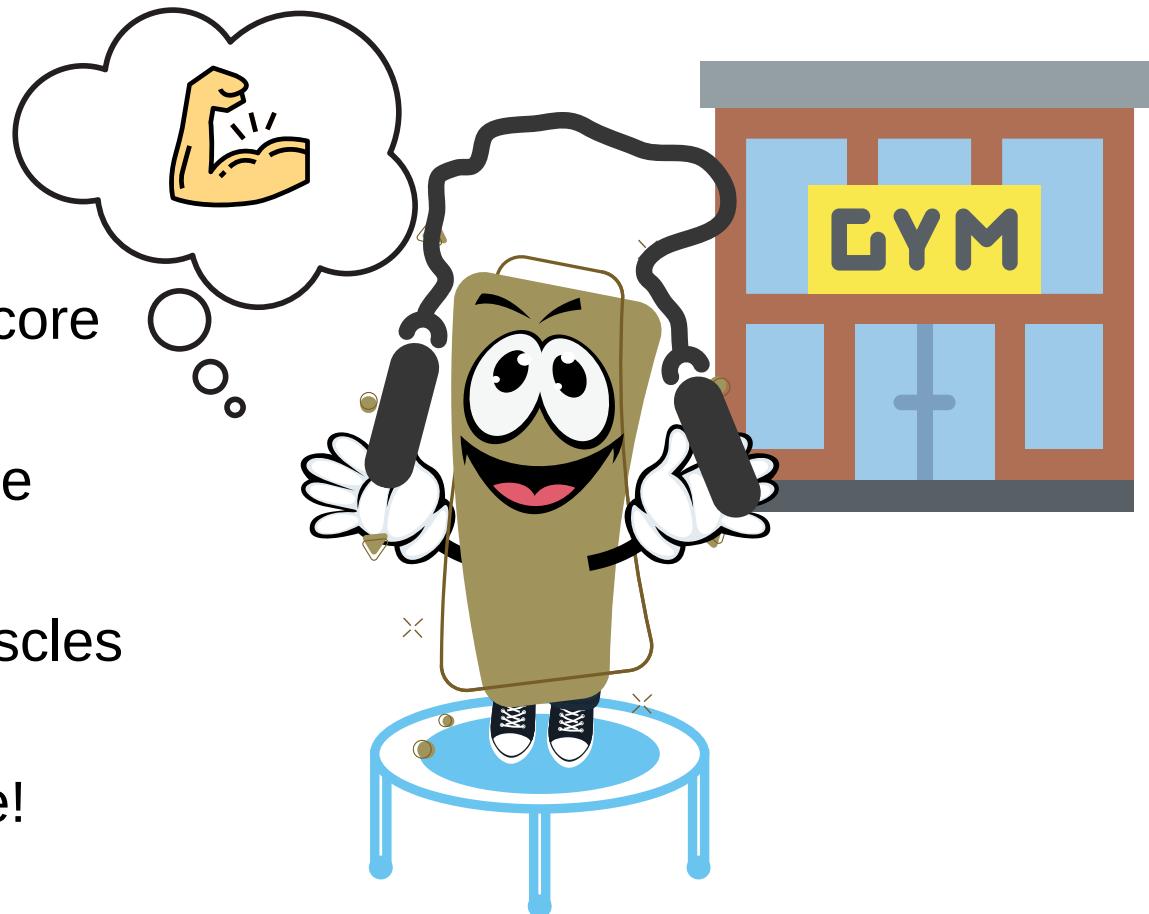

Name: _____

I settled the score

I won first prize

I have big muscles

From exercise!

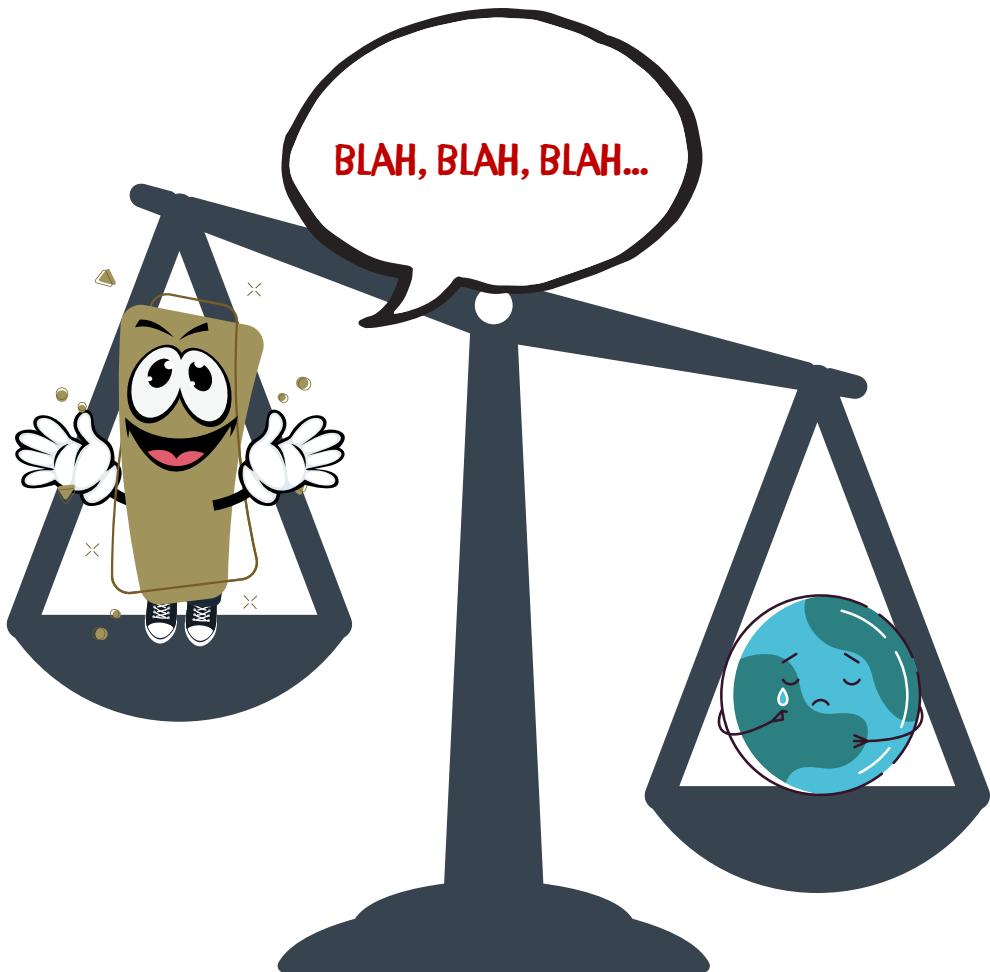

Speck was great

Just listen, he'd tell

Judging others

Not doing so well

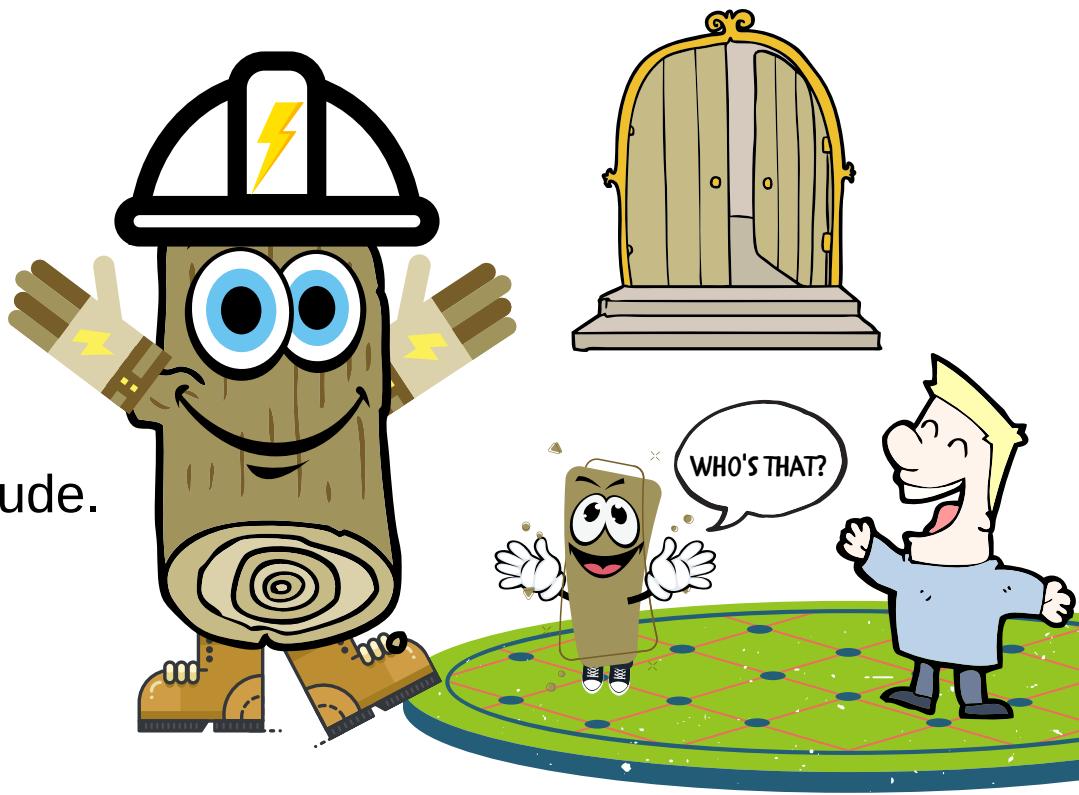

Name: _____

Then, in walked Log,

A really big Dude!

"Who is that?"

Asked Speck, kinda rude.

Guy replied,

"That's Log, you see."

and Speck observed,

"Log's bigger than me!"

Name: _____

"A lot bigger," Speck said,

if you take me

and times my size

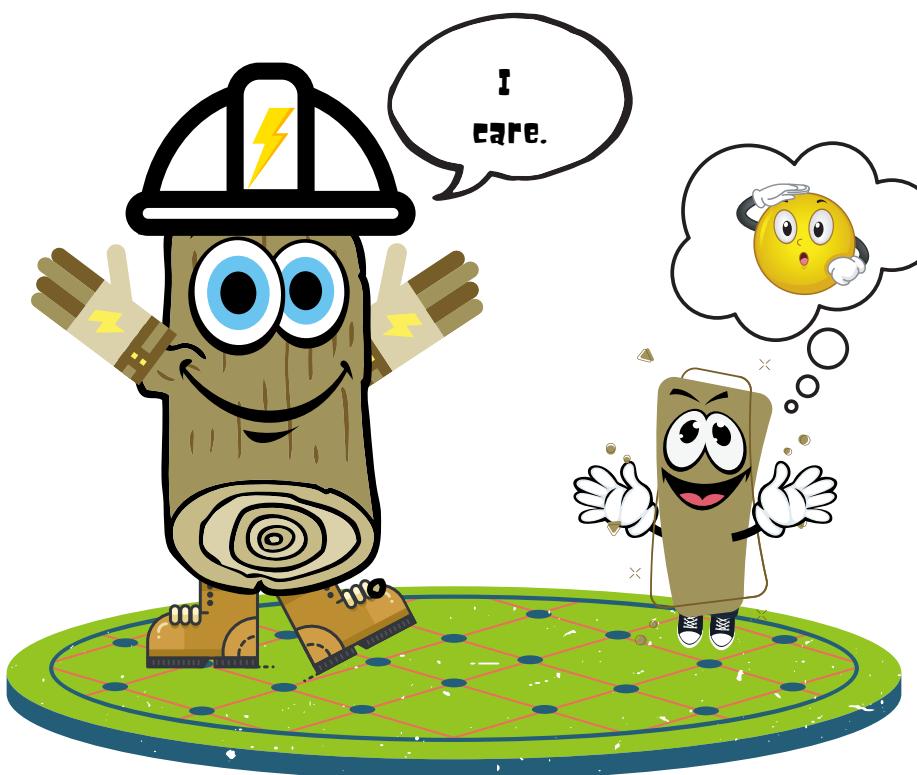

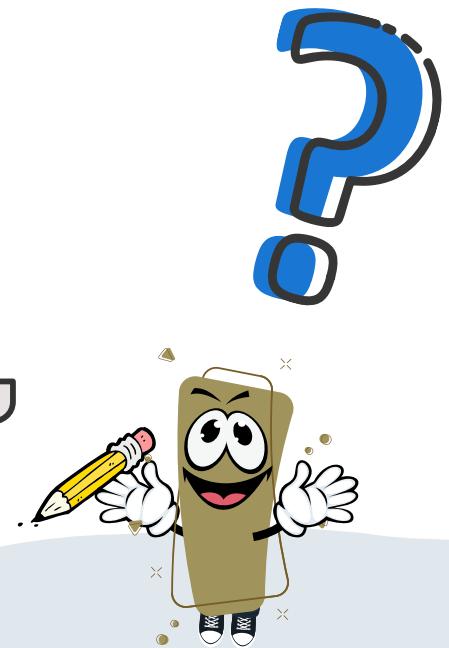

by the number three.

Even more, I'd guess,

Times 24!

Log is the biggest

What's Log here for?

Then Log turned

And spoke so meek

I am here, little Speck,

Because you seek

Name: _____

Stop paying attention

To exterior things

When inside abides

What eternity brings

And off walked Log

Gently swaying

Carefully listening

To what others were saying

we have things
to say...

Name: _____

Sharing wisdom

With those who asked

Never judging

Specks he passed

YOU'RE DOING GREAT!

Speck reflected

He started sharing

On what was said

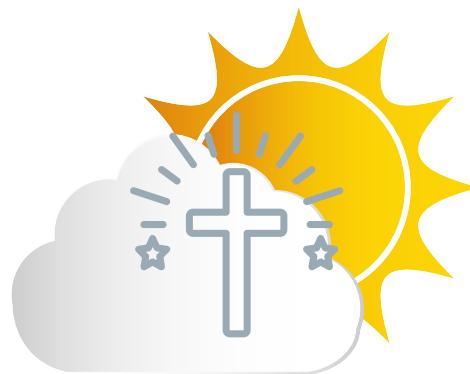

Encouragement

Decided to change

Instead of judging,

His words of dread

Offered nourishment

Name: _____

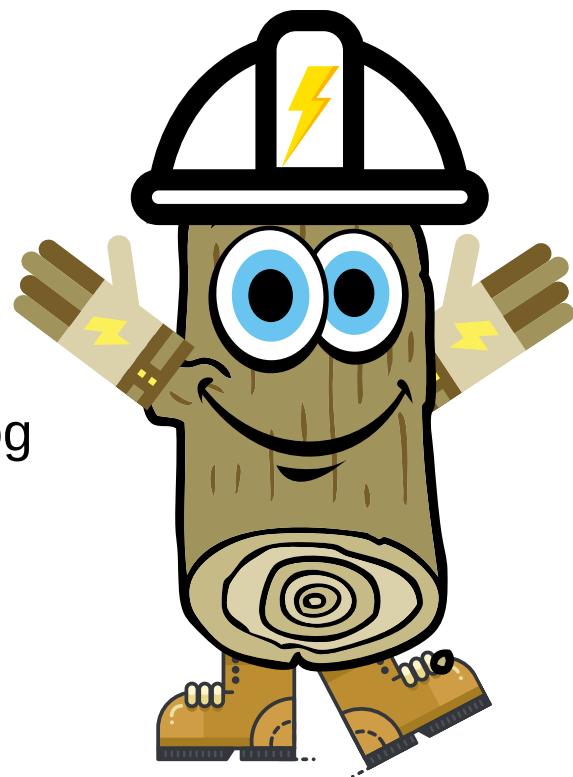

Speck learned a lot

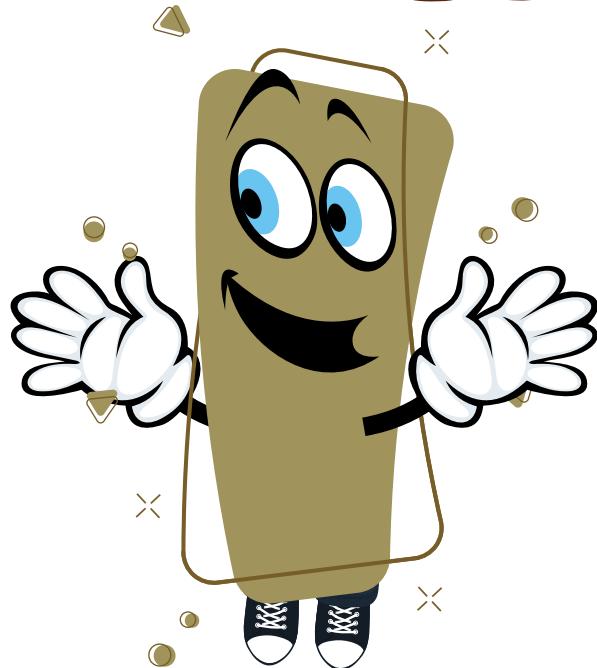

From his new friend Log

And started a healthier

Dialogue

HOPE

He spoke with hope

And no judgement

His words became

encouragement

Before he'd point

And say "I'm better!"

Before he judged

And said a "regretter"

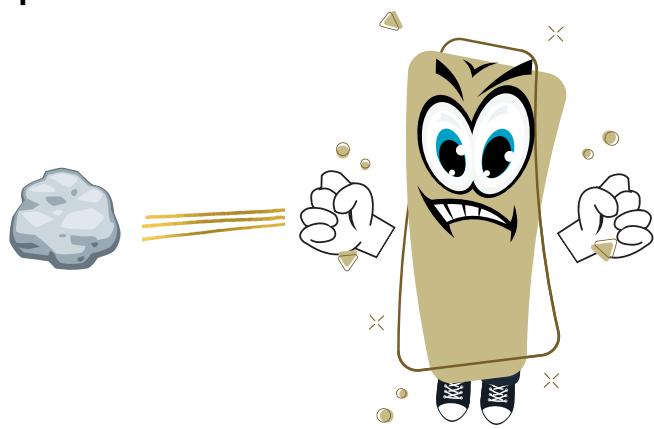

Before he threw

A single stone

He remembered who sits

Upon the throne

Name: _____

And Who created

The specks he judged

Remembered the Lord

Before he'd fudge

And mess up how

He should really speak

He talks like Jesus

The meekest of meek.

**"good
things
ahead"**

Matthew 7:3-5

"Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye?

How can you say to your brother, 'Let me take the speck out of your eye,' when all the time there is a plank in your own eye?

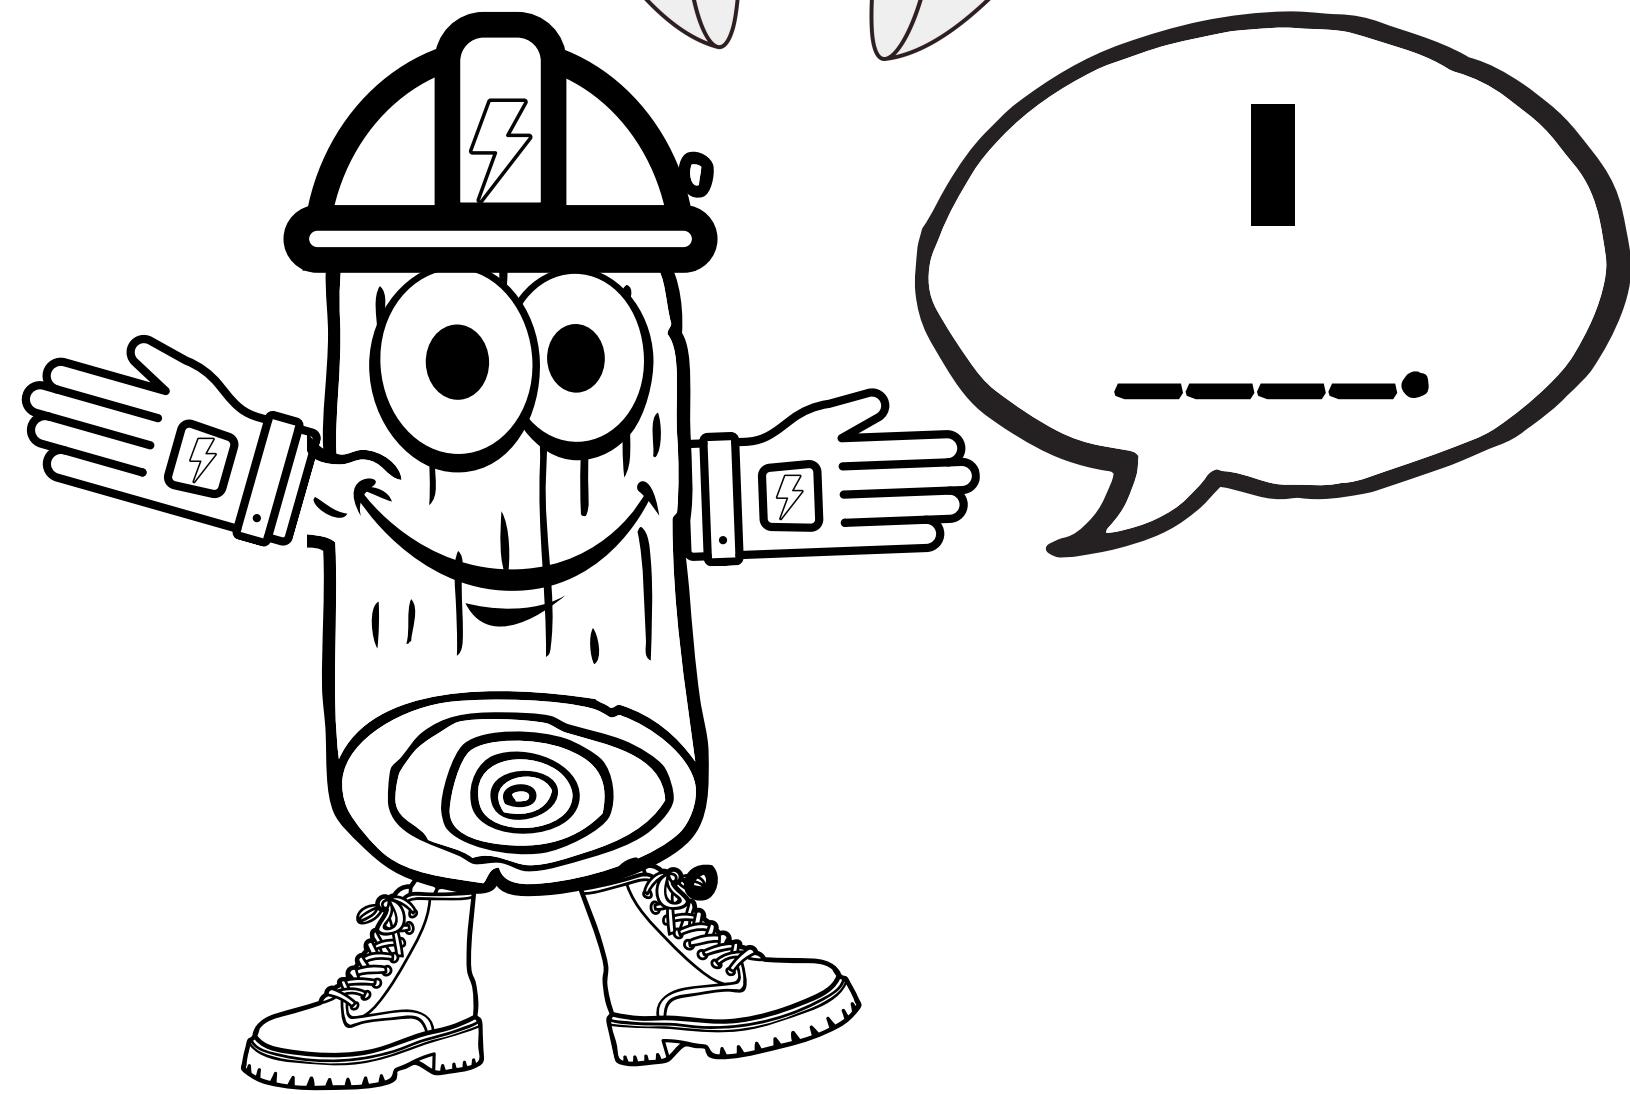

You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye.
