Creation, God made all the land  
animals

**Genesis 1:25: God made the wild animals according to their kinds, the livestock according to their kinds, and all the creatures that move along the ground according to their kinds.**

**And God saw that it was good.**

**It's so amazing to read the Bible  
It teaches us about the world  
around us. We know how much  
Jesus loves us by reading it.  
He made all the animals for us  
to enjoy!**

Read your  
Bible every  
day!

forget to  
pray**

A colorful illustration of two cartoon squirrels. One squirrel on the left is orange with a brown acorn in its paws, looking happy. Another squirrel on the right is orange with a large pink bow on its head, also looking happy. They are standing on a green grassy hill under a blue sky with white clouds. A red heart is floating between them. To the right, there is a blue speech bubble with a white arrow pointing right and the word "Share" in white.
