Romans 8:19-27

CREATION CRIES OUT

For the creation waits in eager expectation for the children of God to be revealed.

For the creation was subjected to frustration, not by its own choice, but by the will of the one who subjected it, in hope that the creation itself will be liberated from its bondage to decay and brought into the freedom and glory of the children of God.

We know that the whole creation has been groaning as in the pains of childbirth right up to the present time.

Not only so, but we ourselves, who have the firstfruits of the Spirit, groan inwardly as we wait eagerly for our adoption to sonship, the redemption of our bodies.

For in this hope we were saved. But hope that is seen is no hope at all. Who hopes for what they already have?

But if we hope for what we do not yet have, we wait for it patiently.

In the same way, the Spirit helps us in our weakness. We do not know what we ought to pray for, but the Spirit himself intercedes for us through wordless groans.

And he who searches our hearts knows the mind of the Spirit, because the Spirit intercedes for God's people in accordance with the will of God.

Deuteronomy 4:5-9

WHAT MAKES A NATION GREAT?

See, I have taught you decrees and laws as the Lord my God **commanded me**, so that you may follow them in the land you are entering to take possession of it.

Observe them carefully, for this will show your wisdom and understanding to the nations, who will hear about all these decrees and say, “Surely this great nation is a wise and understanding people.”

What other nation is so great as to have their gods near them the way **the Lord our God is near us whenever we pray to him?**

And what other nation is so great as to have such righteous decrees and laws as this body of laws I am setting before you today?

Only be careful, and watch yourselves closely so that you do not forget the things your eyes have seen or let them fade from your heart as long as you live. Teach them to your children and to their children after them.

IN **God** WE
TRUST
