Jesus makes life make sense. He doesn't offer you confusion.
Life with Jesus is simple. He commands us to do 2 things, and it
all comes with the gift of Salvation.

Matthew 22:37-39

Jesus replied: "Love the Lord your God with all your heart
and with all your soul and with all your mind.' This is the
first and greatest commandment. And the second is like
it: 'Love your neighbor as yourself.'

What do you mean, gift of Salvation? Well, for choosing Jesus,
which is our expression of love for Him, He in turn gives us The
Guide, our Helper. We are designed like our Creator, 3 in 1. God the
Father, God the Son and God the Holy Spirit. We are Human, Soul
and _____,

Until we believe, we have a missing piece, and then we receive the
missing part we are searching for! - The Holy Spirit - God's gift
of Salvation. He Helps us eternally. We are bound to God when we
believe. That is why you don't have to "change things first" or rid
your life of sin before you believe in Jesus. He knows that while
we are on earth we will never be perfect, only He is perfect.

Romans 3:23

for all have sinned and fall short of the glory of God.

We will always make mistakes and fall short of perfection. God
commands us to ask for forgiveness and gives us the capacity to
turn away from our sin after salvation. We will look back on our
lives after time and wonder, how much we have changed! The
wonder and awe of what Jesus can do in our lives is amazing. It
is awesome and I can't wait for you to experience it too.

Revelation 4:11

"You are worthy, our Lord and God,
to receive glory and honor and power,
for you created all things,
and by your will they were created
and have their being."

While we were still sinners, Christ died for us.

But God demonstrates his own love for us in this:

perfect because He did all the work for us.
He sees past our sin, to eternity with Him in Heaven where we will be
much more. We have done nothing to deserve the love of Jesus, but so
we lie without being taught, we hurt others without knowing why, and so
we have terrible judgments about people we love, and so
we lie without being taught, we hurt others without knowing why, and so
un deserved. God is holy, righteous, and just. Humans are born sinners.
