**Creator:** God made the world and everything in it, and He made us because He loves us.

**Triune God:** Christians believe in one God who is three persons: the Father, the Son (Jesus), and the Holy Spirit.

**God's Love:** The greatest example of God's love is sending his Son, Jesus, to die on the cross to take the punishment for our sin. He did this so we could be saved and live forever with Him in Heaven if we choose to love Him back!
