

## IT'S EASTER TIME AGAIN

Rain is fallin',  
church bells are callin'  
It's Easter time again  
Flowers blooming in their beds  
baby birds lift their heads  
Love is in the air  
you can feel it everywhere  
[humming]

Jesus, we celebrate You!  
because it's Easter time again  
we gather with family  
to remember this day  
when the power Jesus holds  
was on display  
and the tomb was left  
empty and bare

Salvation is ours,  
everywhere  
oh, It's easter time again!  
[humming]

It's easter time again  
Rain is fallin',  
church bells are callin'  
It's Easter time again  
Flowers blooming in their beds  
baby birds lift their heads  
Love is in the air  
you can feel it everywhere  
[humming]

new life springs up from the ground  
and we all sing this joyful sound  
It's Easter time again!

[humming]

Our Hearts brim with  
love and joy and cheer;  
To all a Happy Easter,  
we celebrate you every year!  
Our hearts brim with love  
and joy remains;  
To all a Happy Easter,  
because Jesus reigns!  
[humming]

It's easter time again  
Rain is fallin',  
church bells are callin'  
It's Easter time again  
Flowers blooming in their beds  
baby birds lift their heads  
Love is in the air  
you can feel it everywhere
