LIFE IS A Journey

The information in this worksheet includes

Genesis Chapter 1.

Jesus said. "In the beginning," and elementary means "relating to the basic elements of a subject."

Thus, I used Genesis as a guideline to teach elementary basics to my children. I welcome you to join our journey through the Bible. We will explain basic element life lessons along the way.

God is so good.

Thank you Jesus for the Bible.

We focus on You as we start our journey.

2 Chronicles 24

Joash was seven years old when he became king, and he reigned in Jerusalem forty years.

... Joash did what was right in the eyes of the Lord ...

“Teacher, which is the greatest commandment in the Law?”

Jesus replied: “Love the Lord your God with all your heart and with all your soul and with all your mind.’

This is the first and greatest commandment.

Matthew 22:36-37

We believe that everything we learn in life, in school, from parents and from those in authority must be studied through the lens of the Bible. That means, when we read something, hear something or learn something, we must check to see if it is right or correct by using the Bible as our guide.

The Bible is a miracle.

The Bible is God's Word, it is perfect, true, timeless and indestructible.

Dear Lord, you are the one true God. You are awesome.

You love us with a perfect kind of love.

We worship you and we praise you for all that you are.

We are in awe of your love for us. We love you too, Jesus.

Please help us to learn and apply the lessons of the Bible.

Please help us understand what we need to know in the Bible for each day.

Please use us to glorify you and to help others know about this special life with you. We want to shine in your light.

Help us to be humble, to be kind and to live for you each day.

In Jesus' name Amen.
