

# Jonah's Song

by Katie Swank

**God told Jonah  
to go to Nineveh  
to tell the people  
to stop doing bad things.**

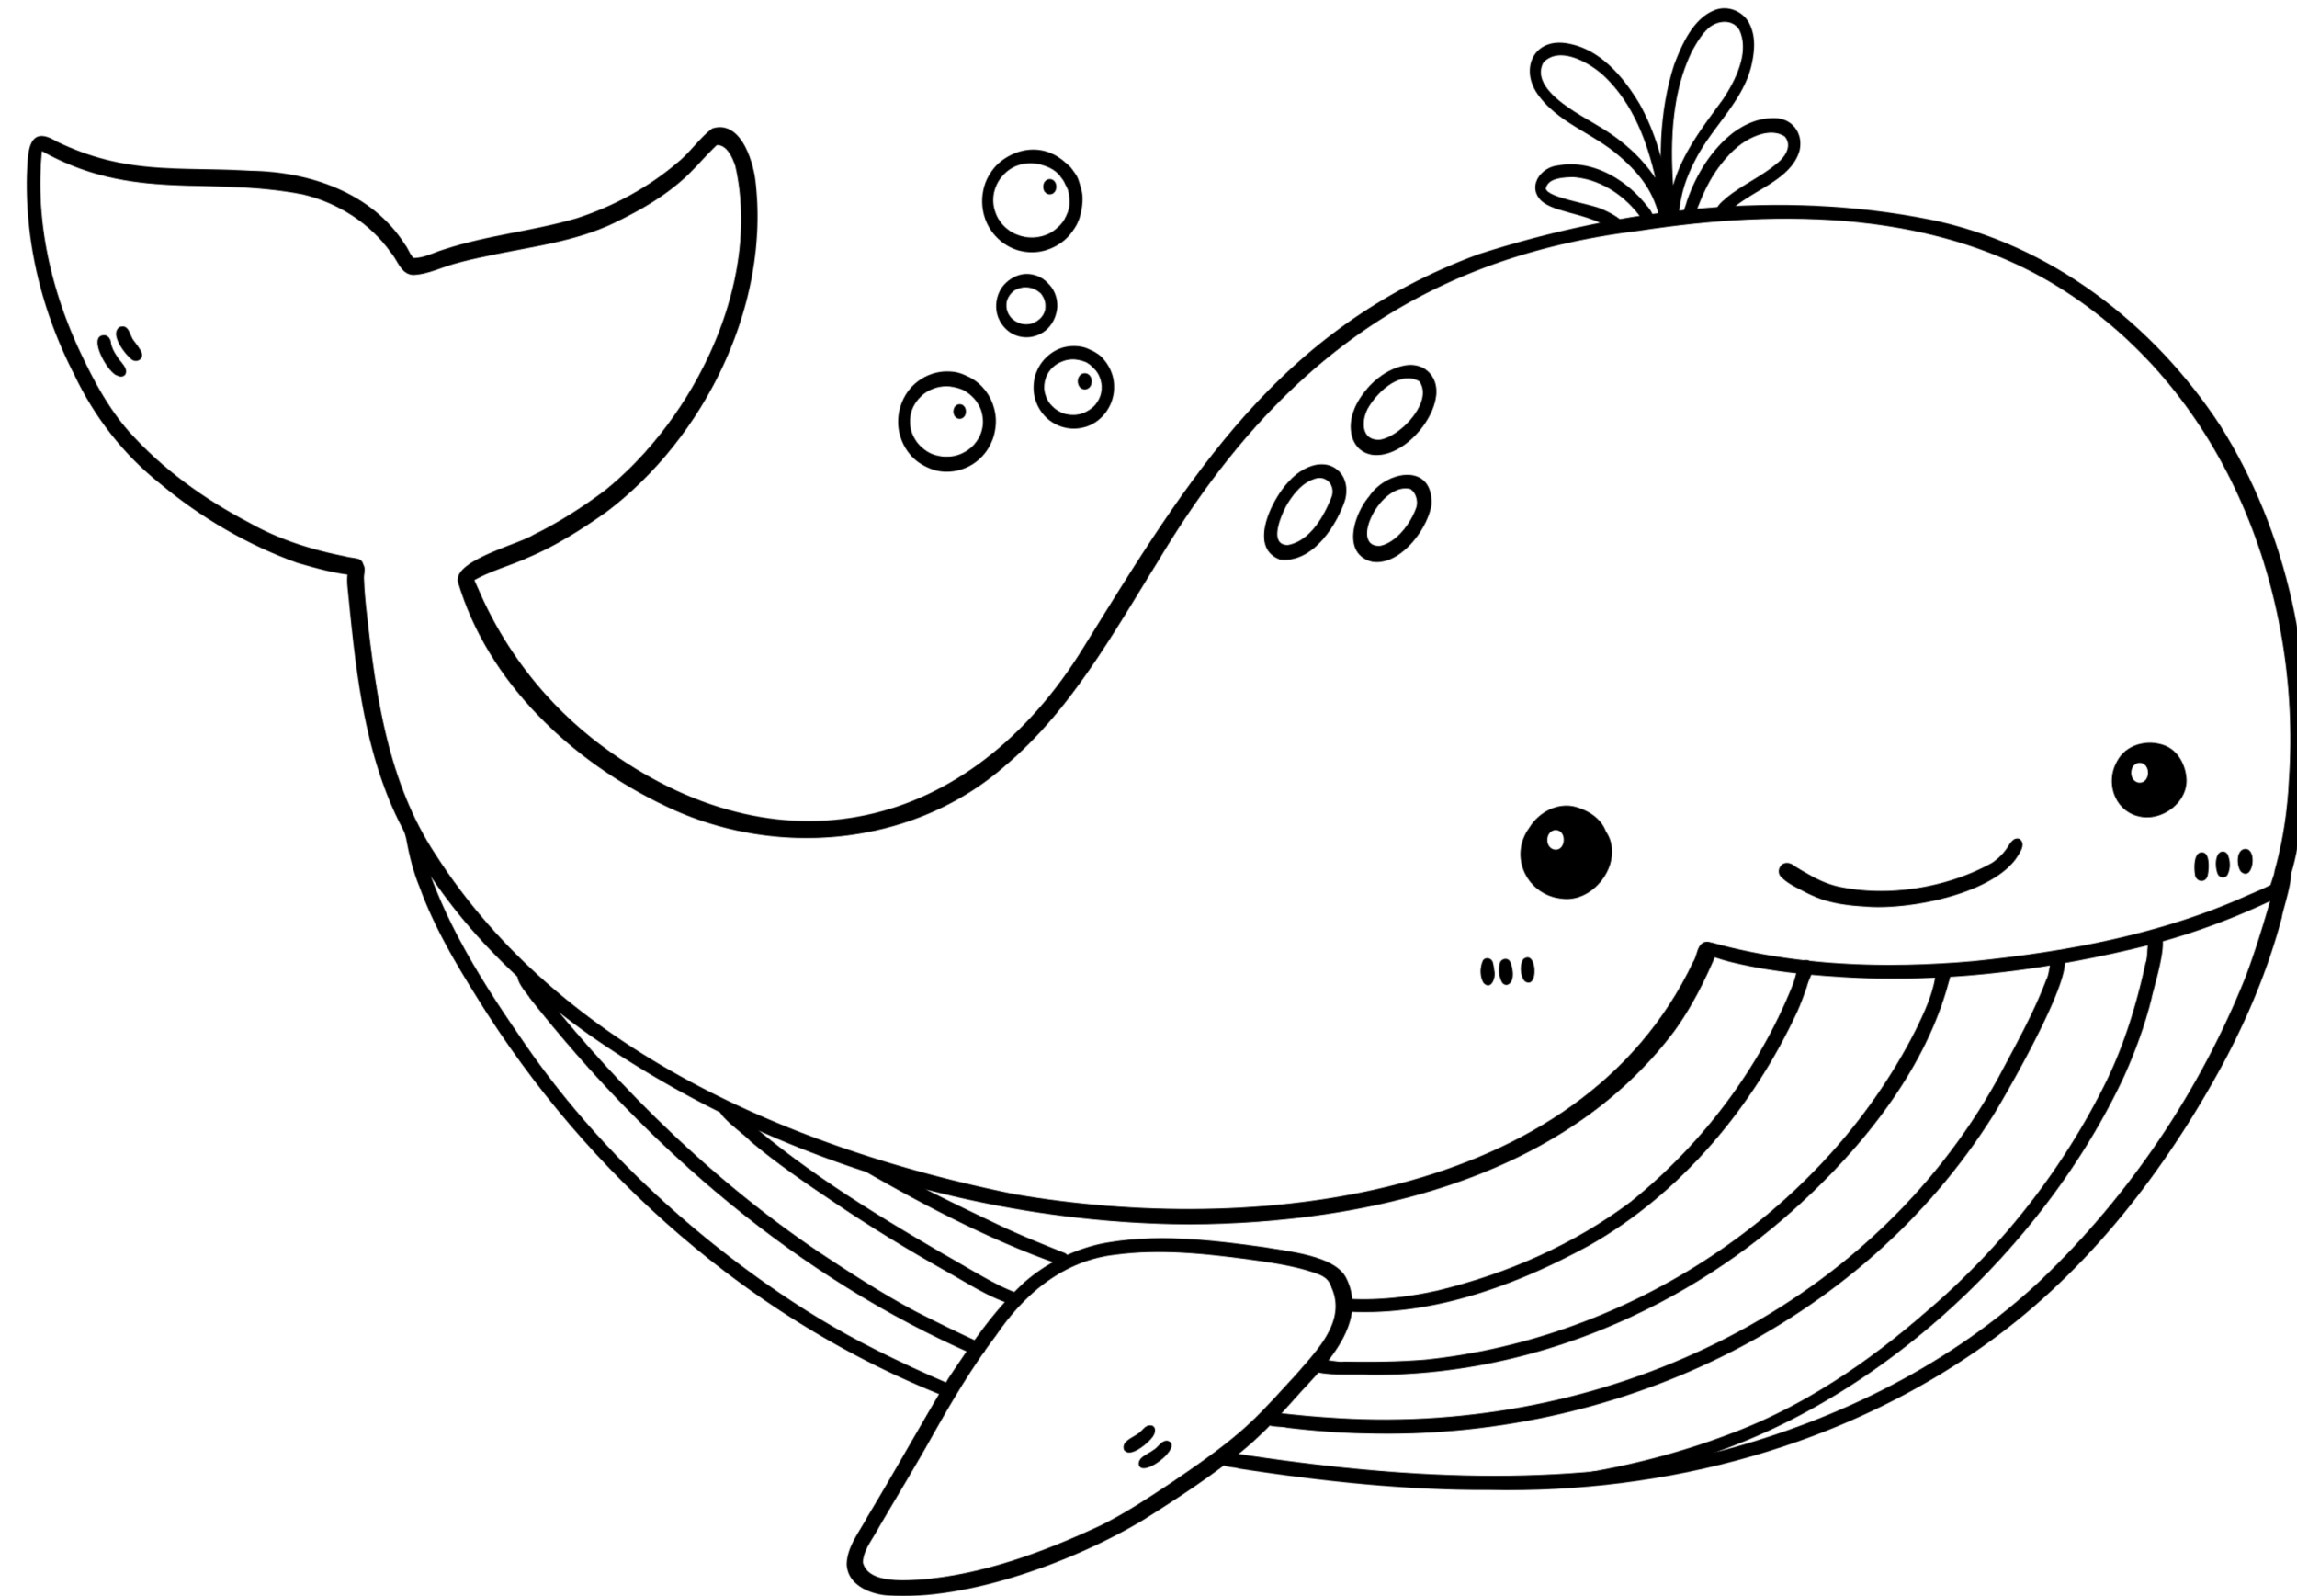

The Savior

Jonah

People of Nineveh

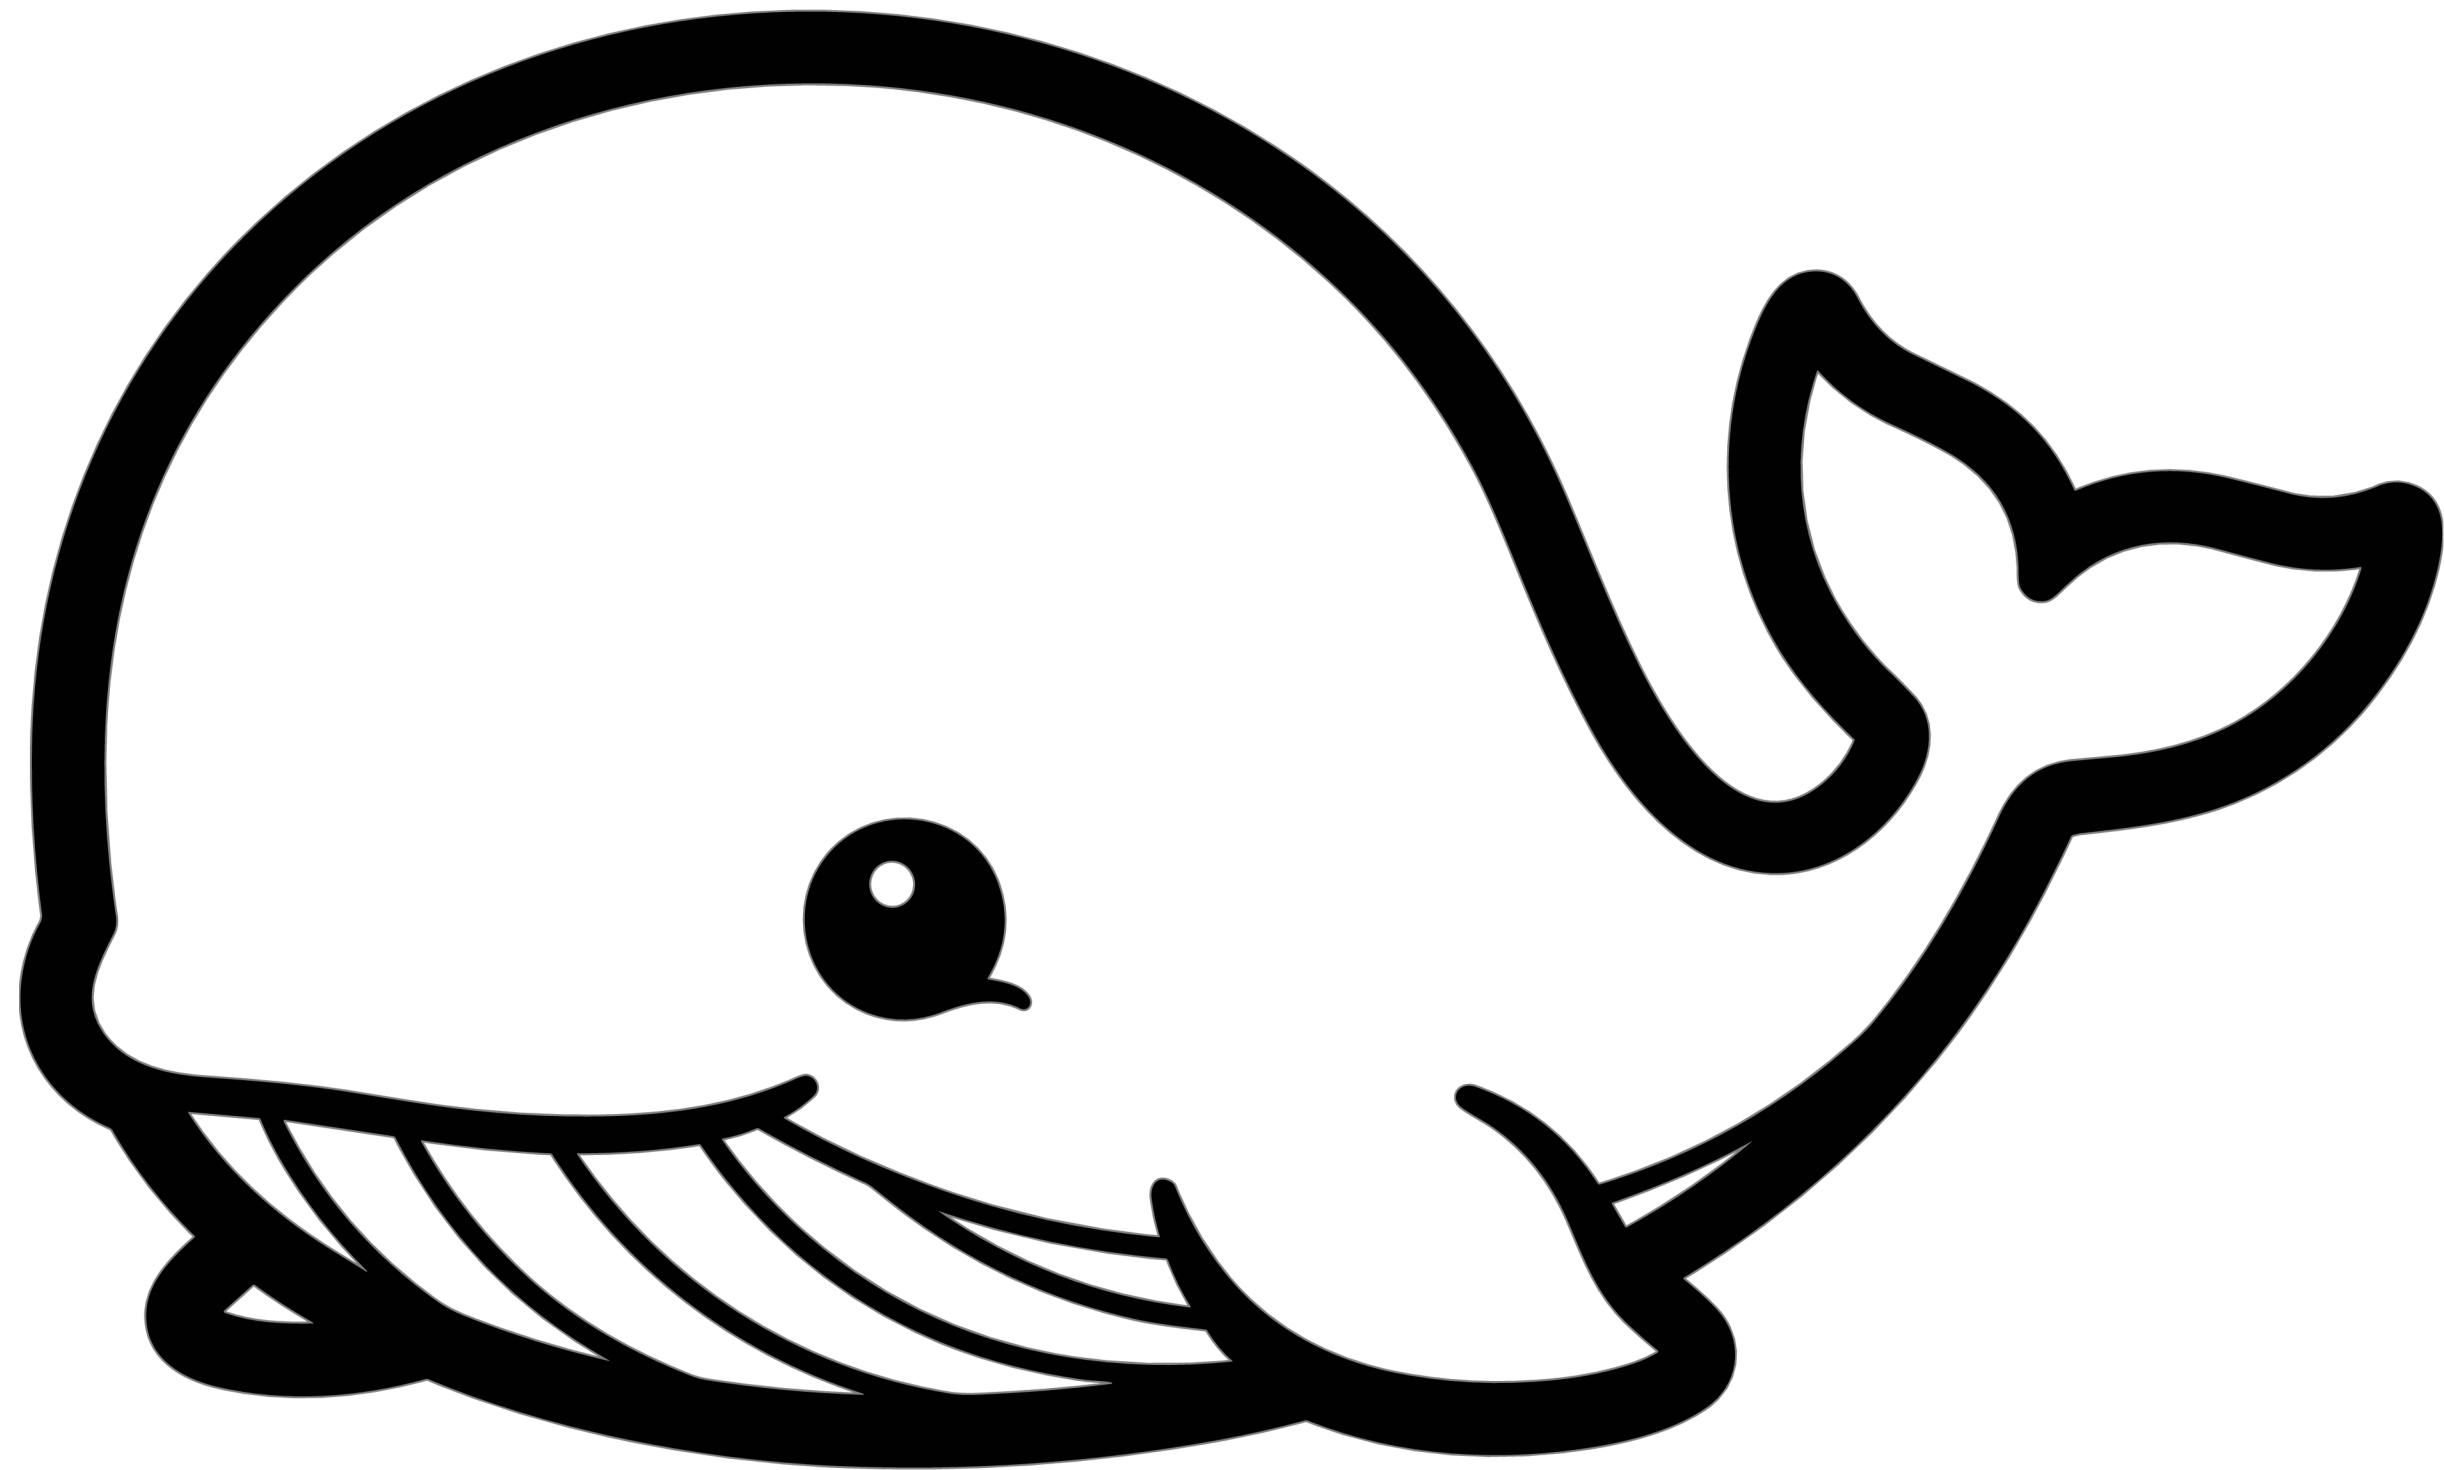

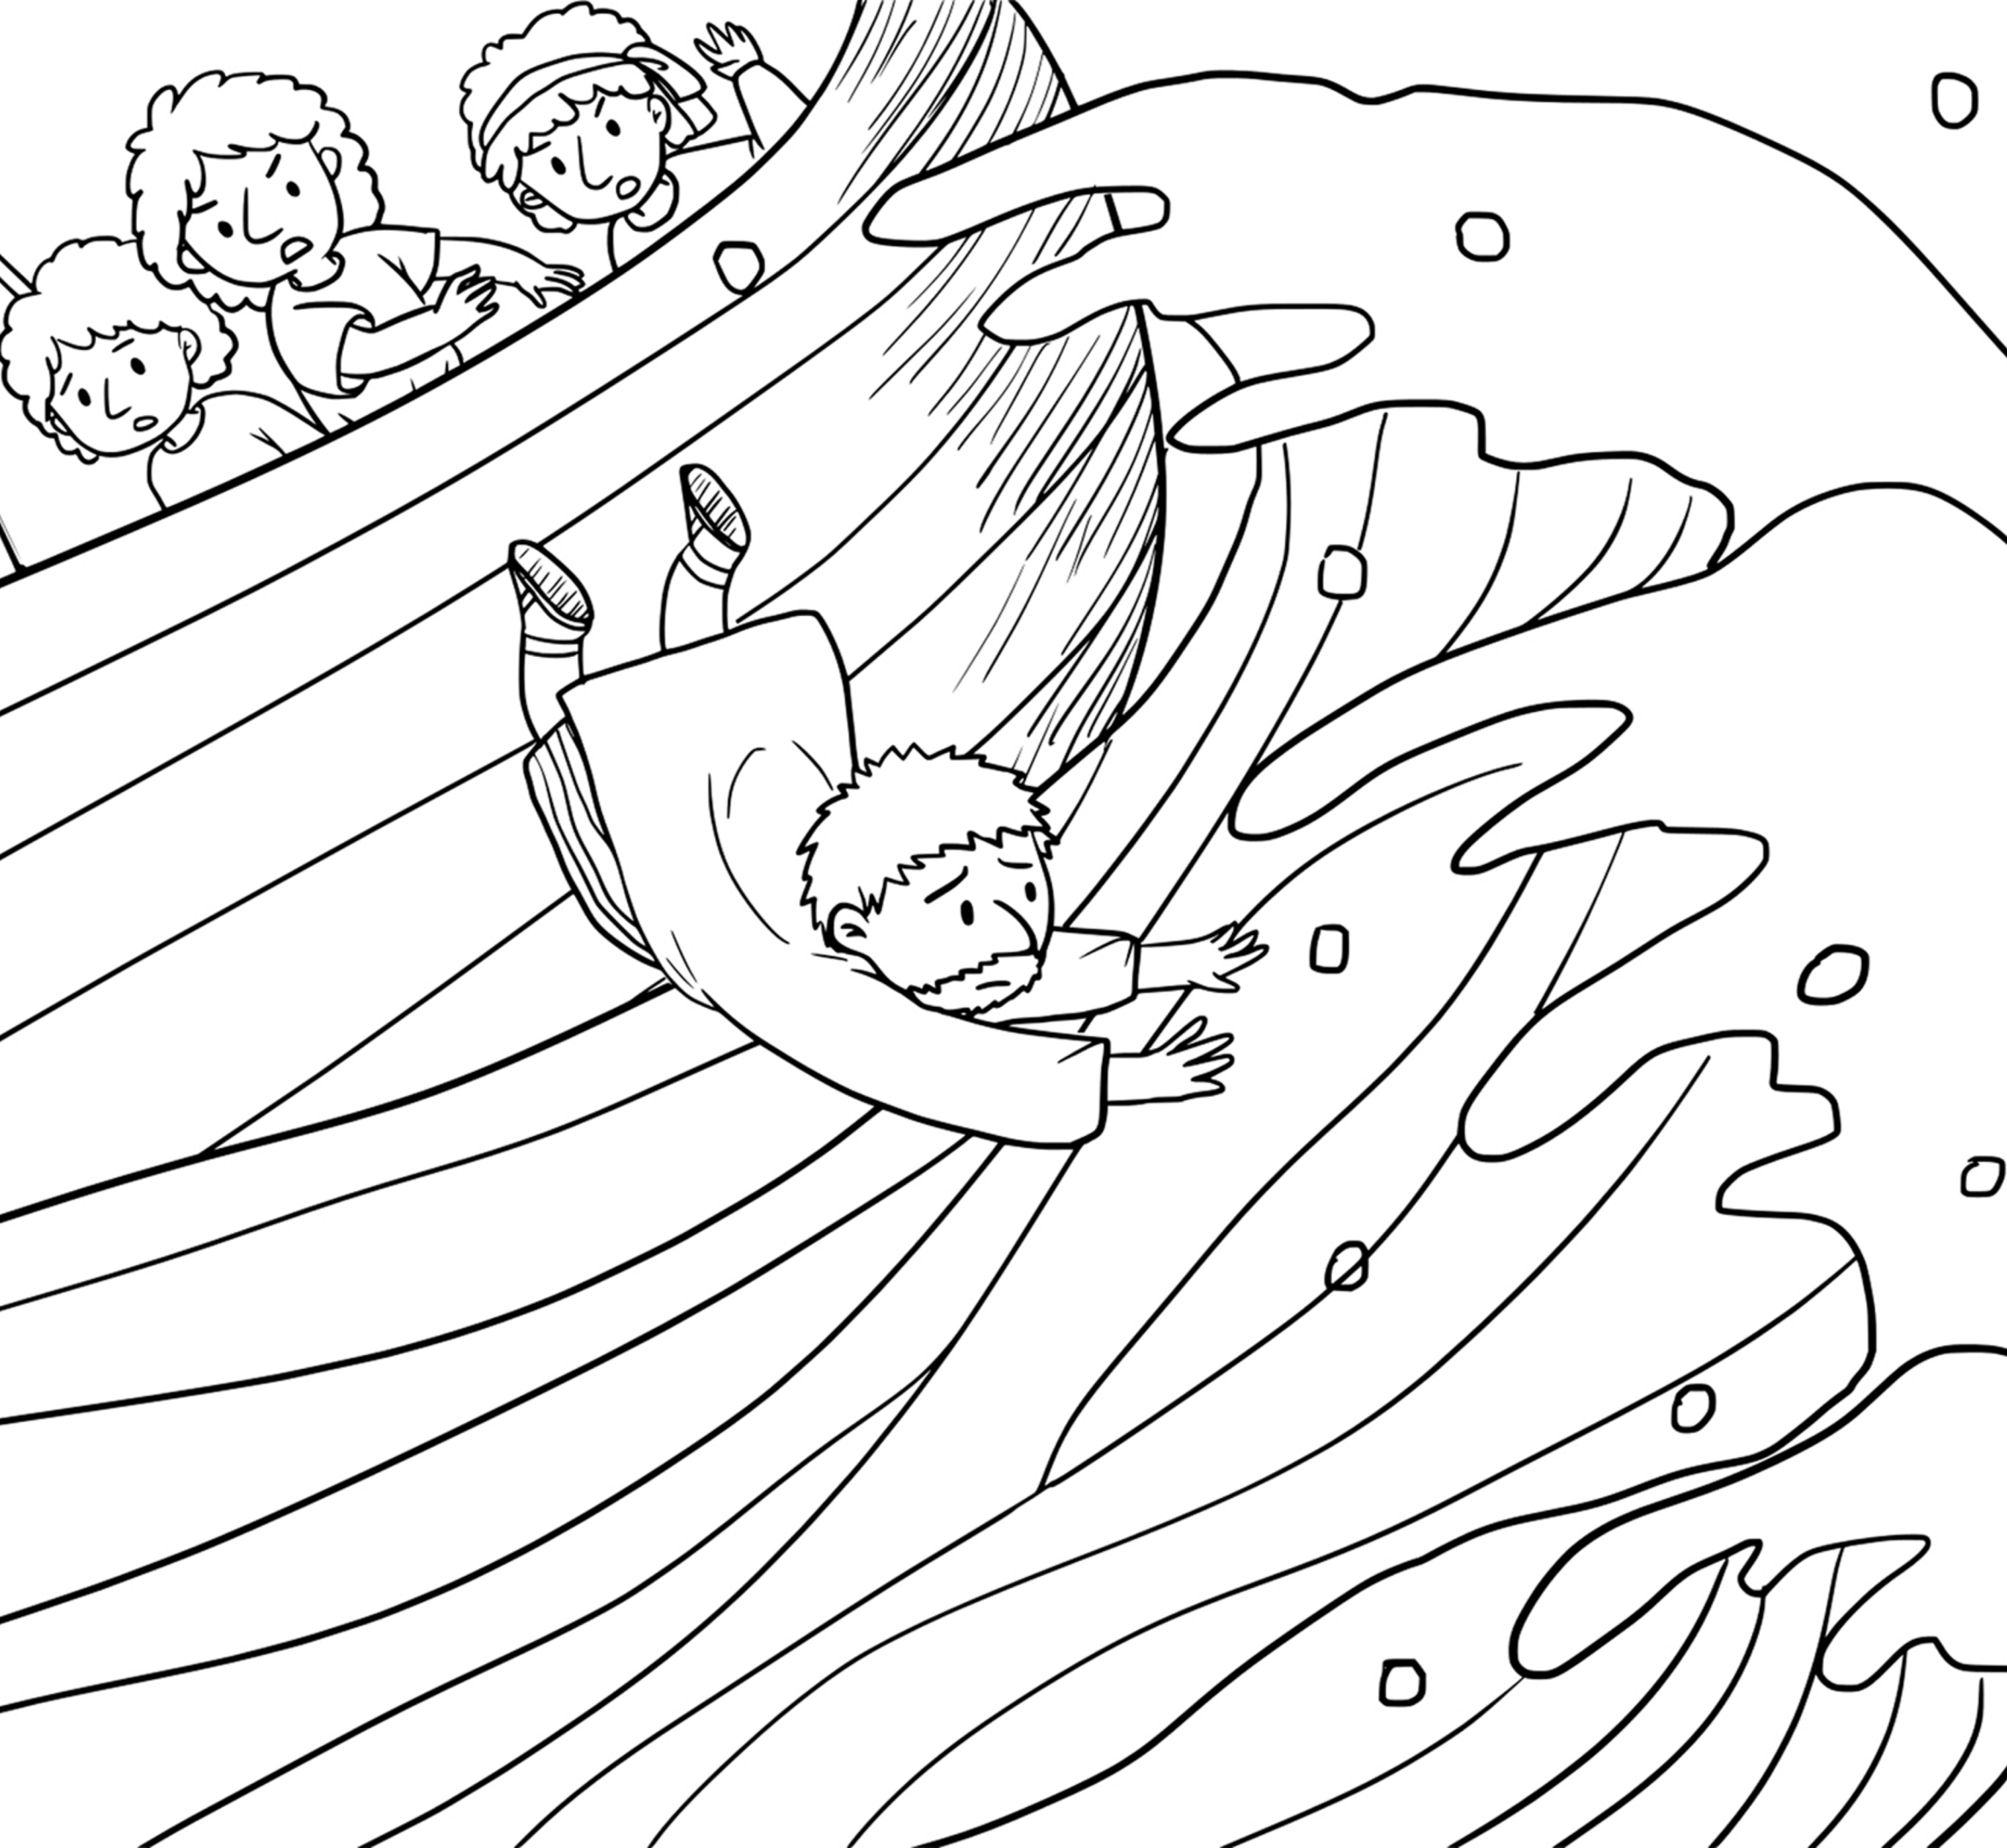

**Jo-nah, Jo-nah  
don't yah know yah  
that God knows yah  
and He will show yah  
what way to go nah  
Jo-nah, Jo-nah  
let's sing a song about Jo-nah**

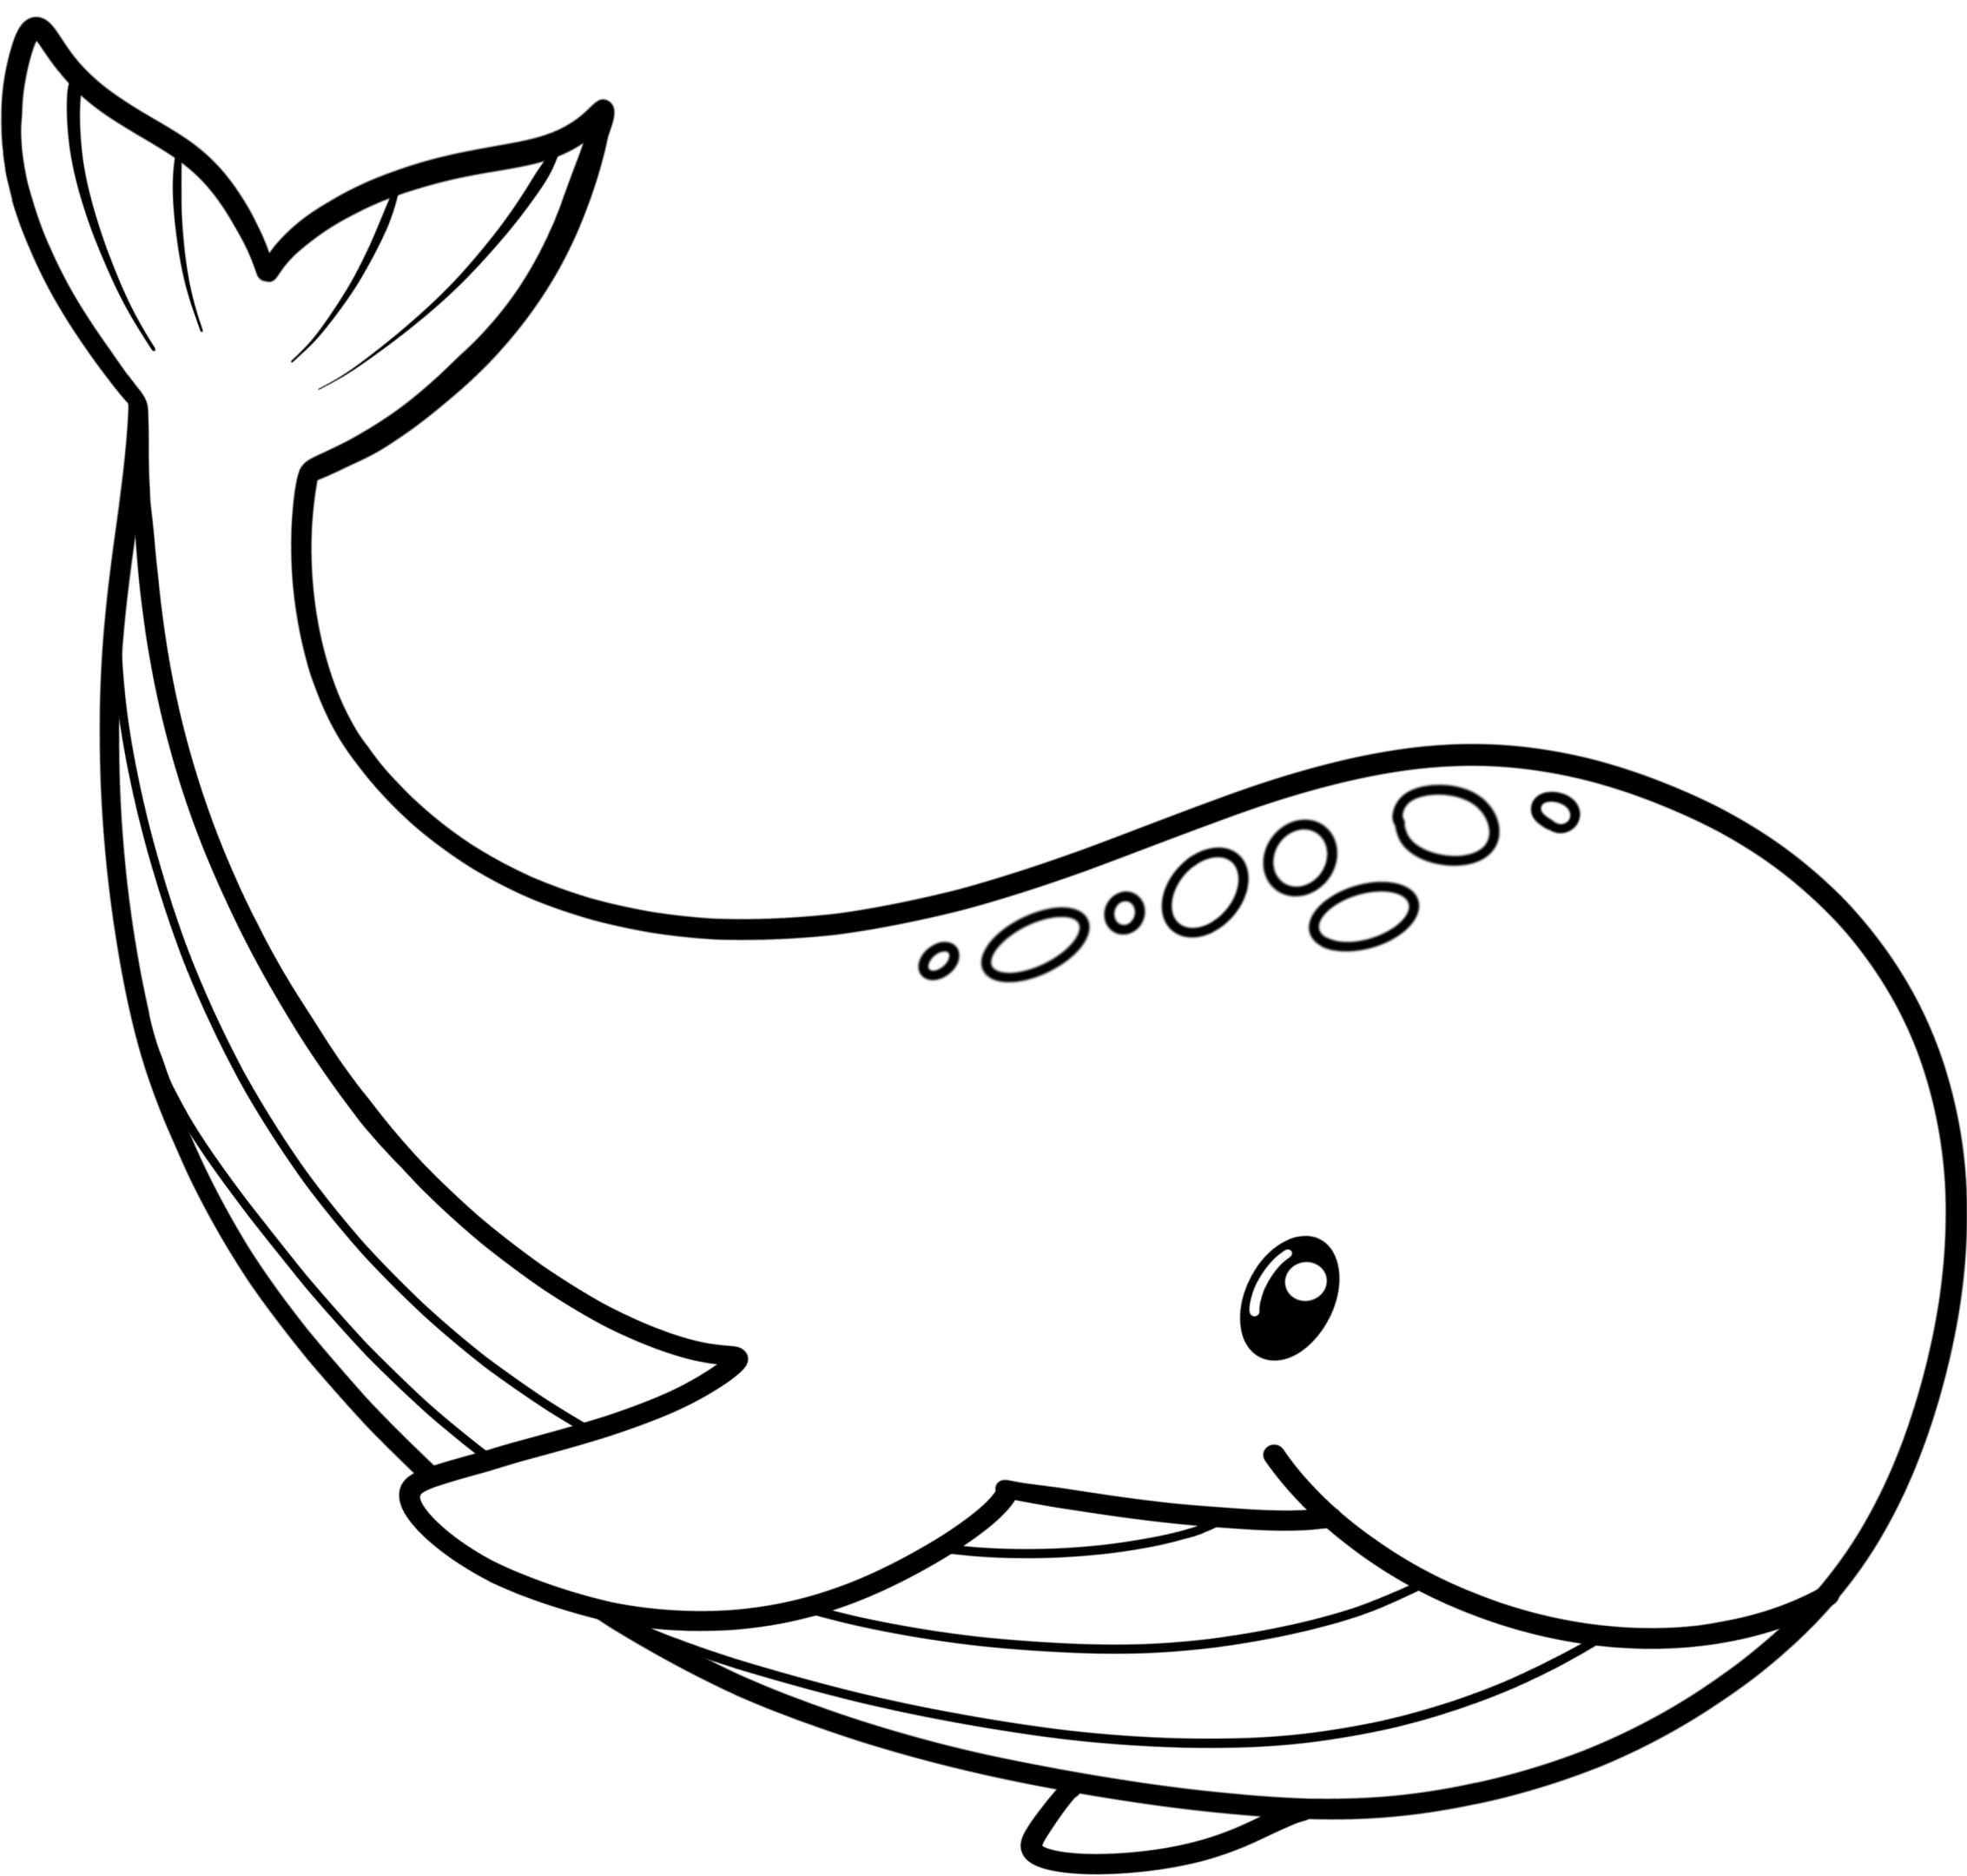

**Jonah didn't like  
the people of Nineveh,  
so he hopped on a boat  
going toward Tarshish.  
yeesh...**

**Jo-nah, Jo-nah  
don't yah know yah  
that God knows yah  
and He will show yah  
what way to go nah  
Jo-nah, Jo-nah  
let's sing a song about Jo-nah**

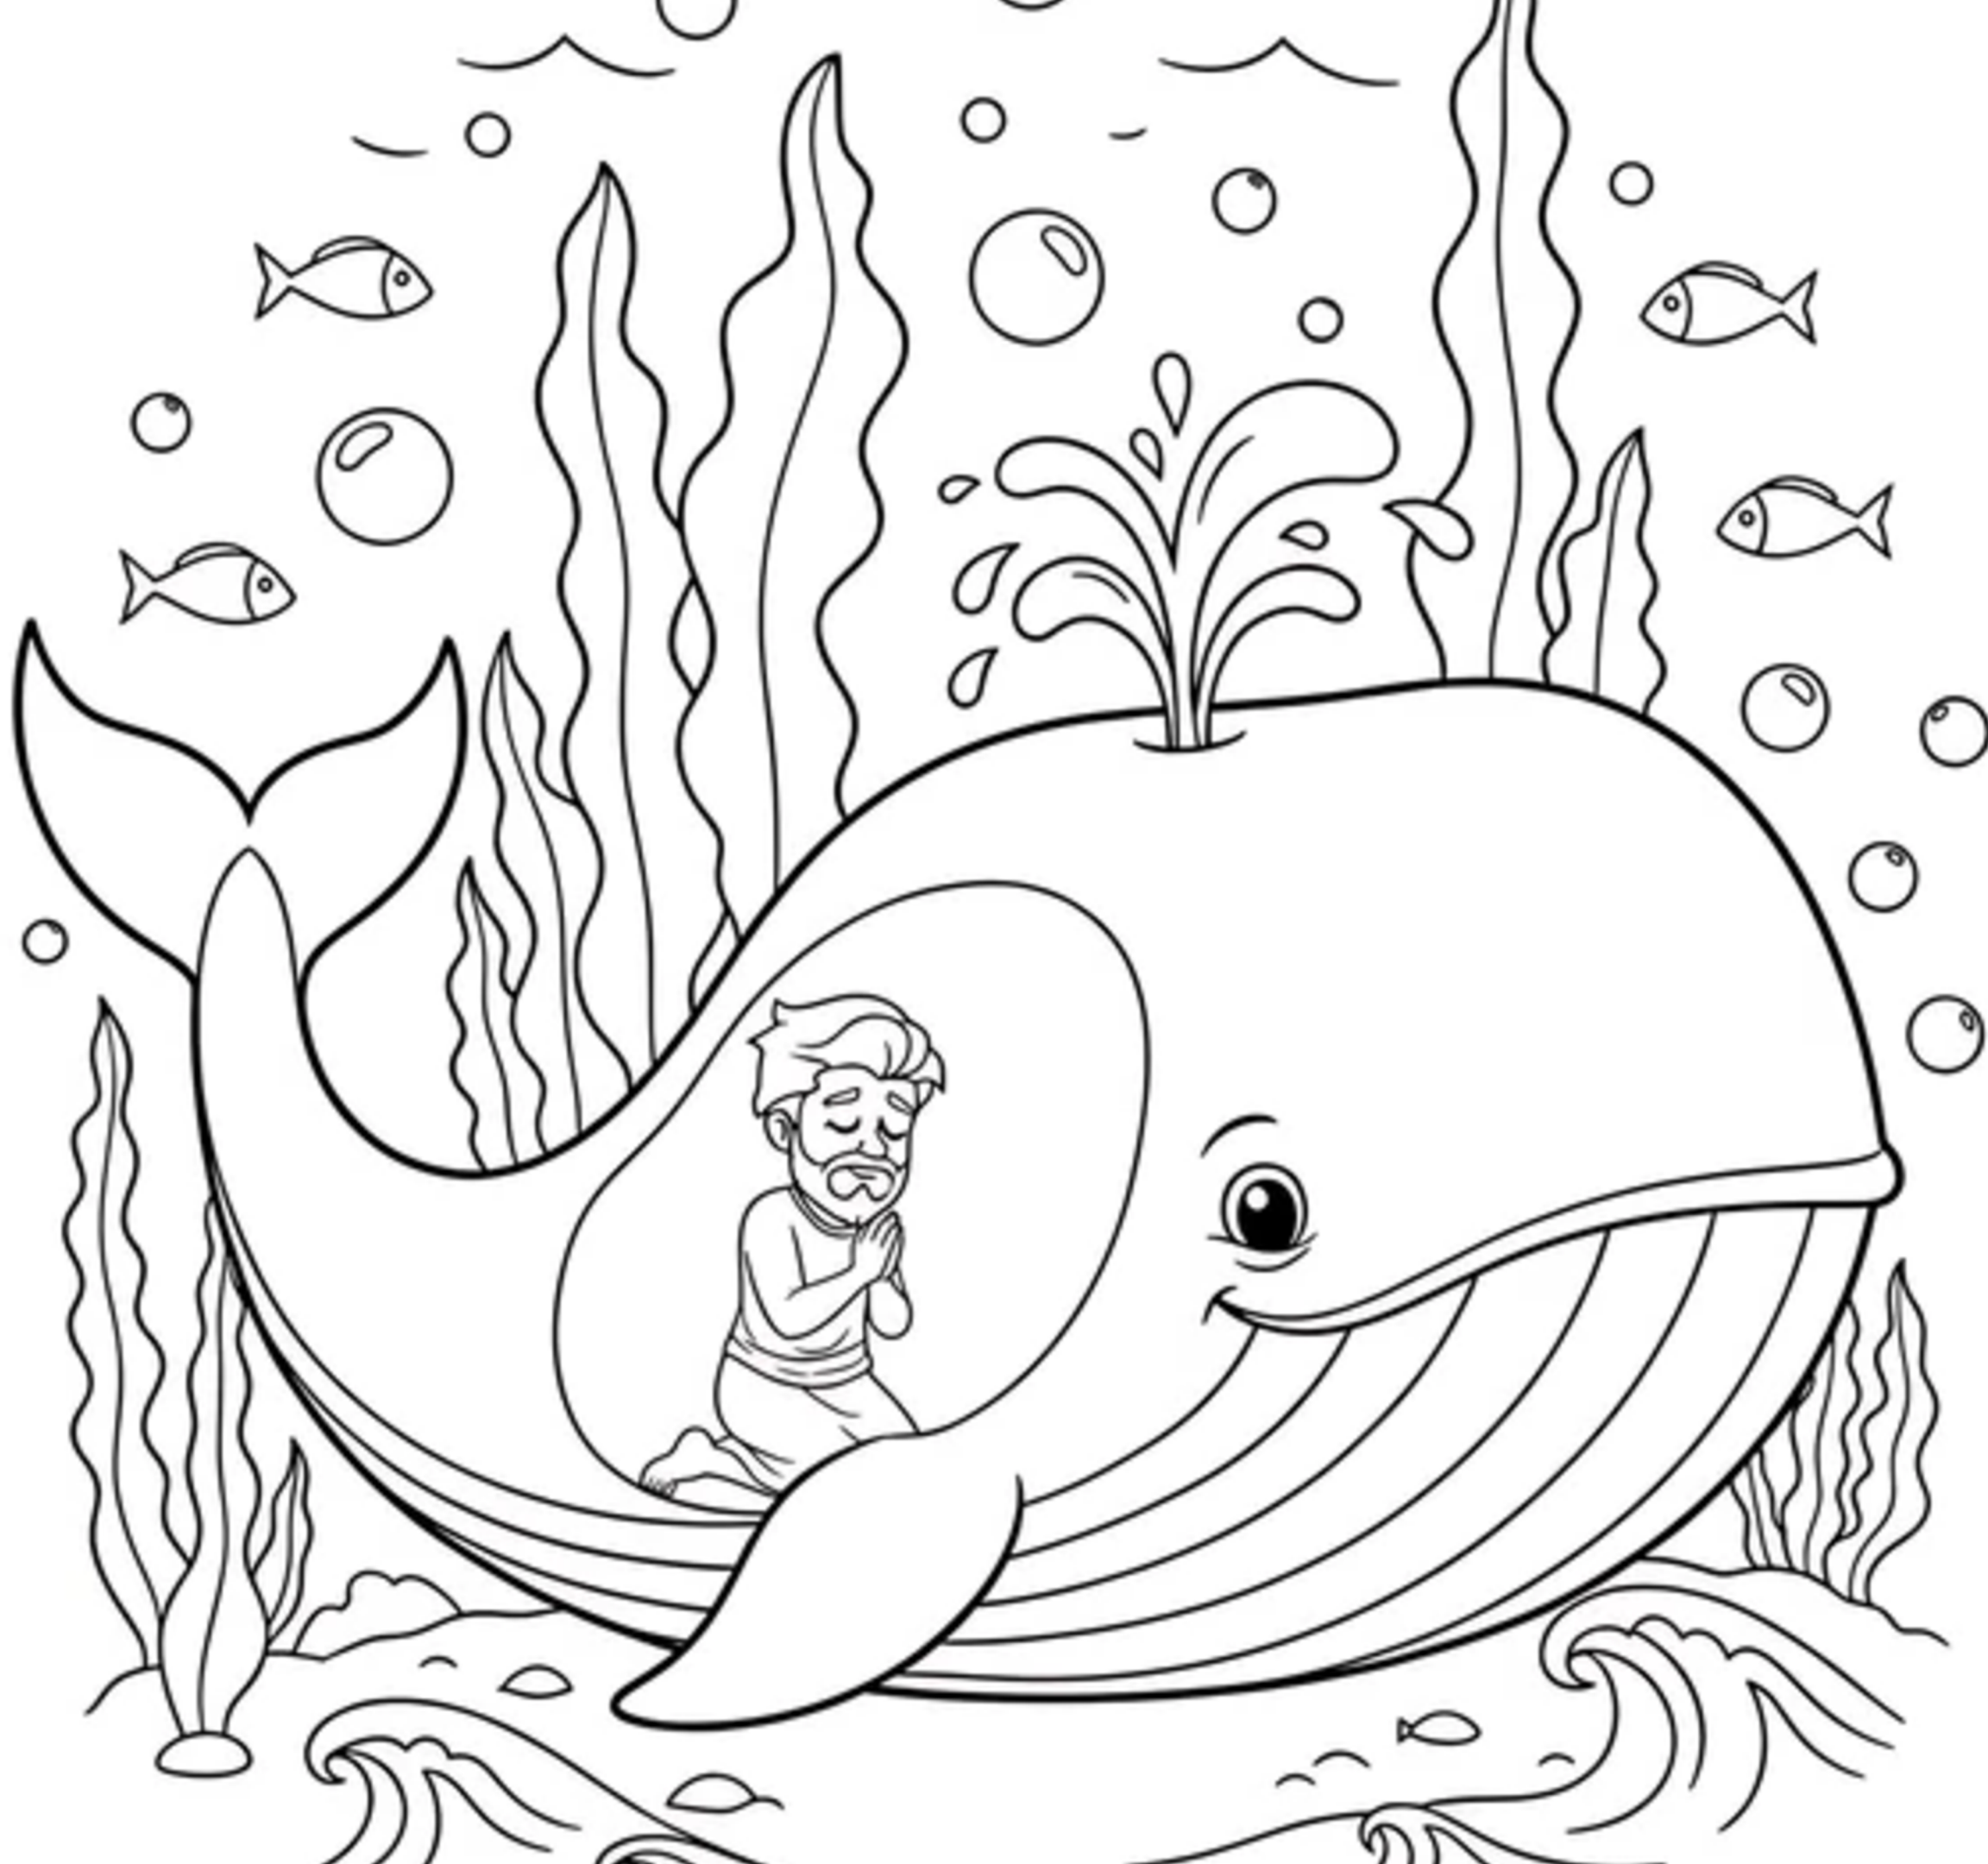

**A huge storm hit the sea.  
Jonah knew it was because he  
had disobeyed,  
so he told the sailors the way  
to make the storm stop  
they simply had to drop  
him into the sea  
so that's what they did to he**

**Jo-nah, Jo-nah  
don't yah know yah  
that God knows yah  
and He will show yah  
what way to go nah  
Jo-nah, Jo-nah  
let's sing a song about Jo-nah**

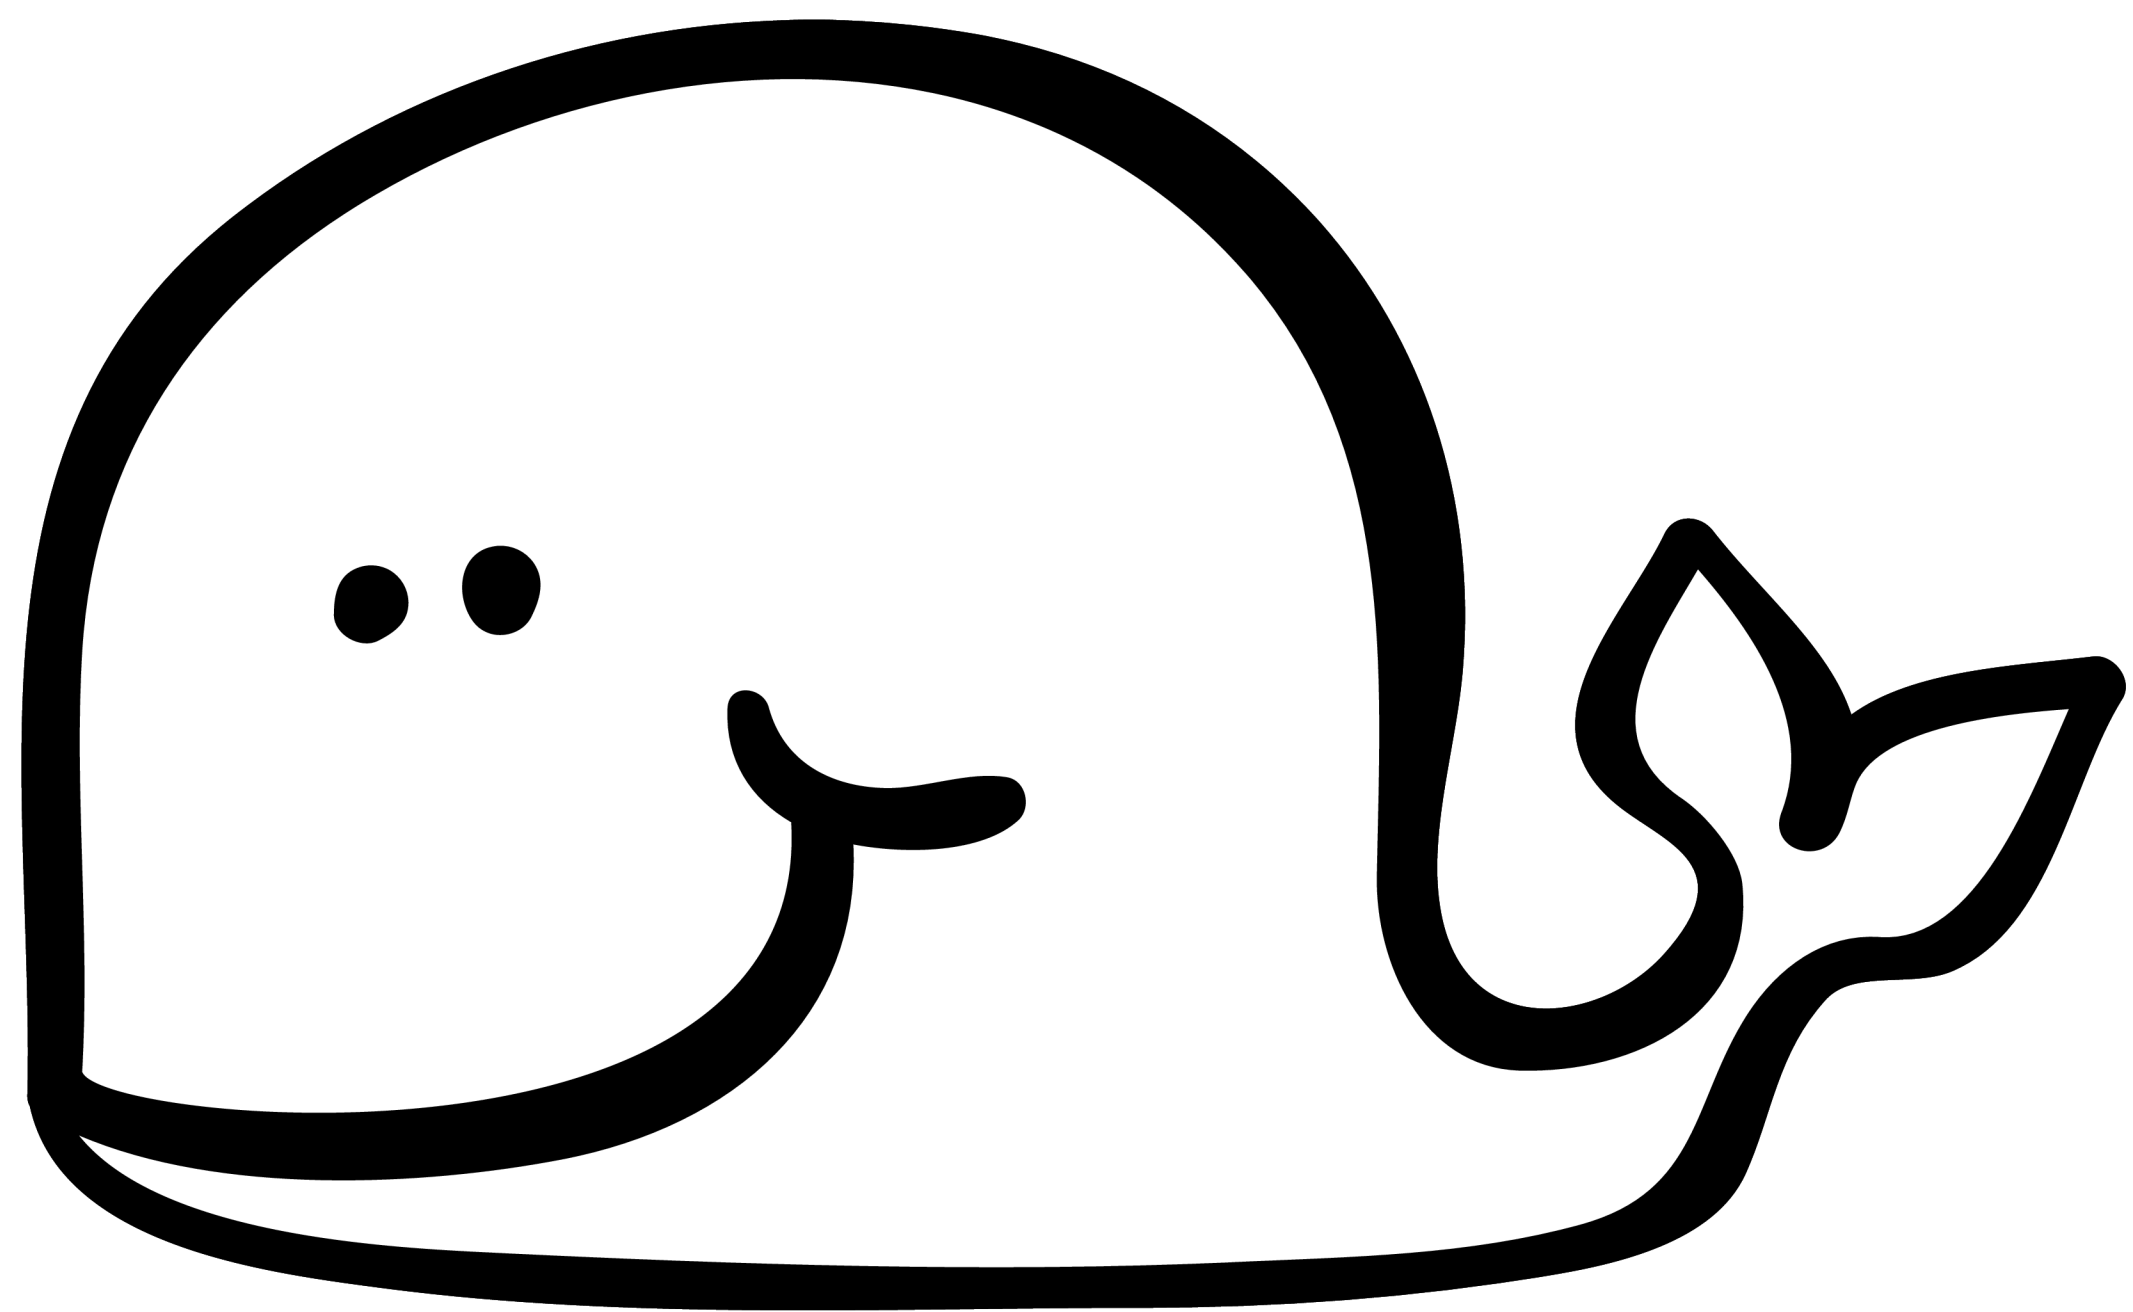

**As soon as Jonah dropped  
the storm stopped,  
and a giant fish  
had a job to do  
swallowed Jo-nah up  
yes, this is true!**

**He stayed inside the fish  
for three days  
and nights,  
telling God  
he was sorry.  
Lord, you're always right!  
this isn't the end of the story!**

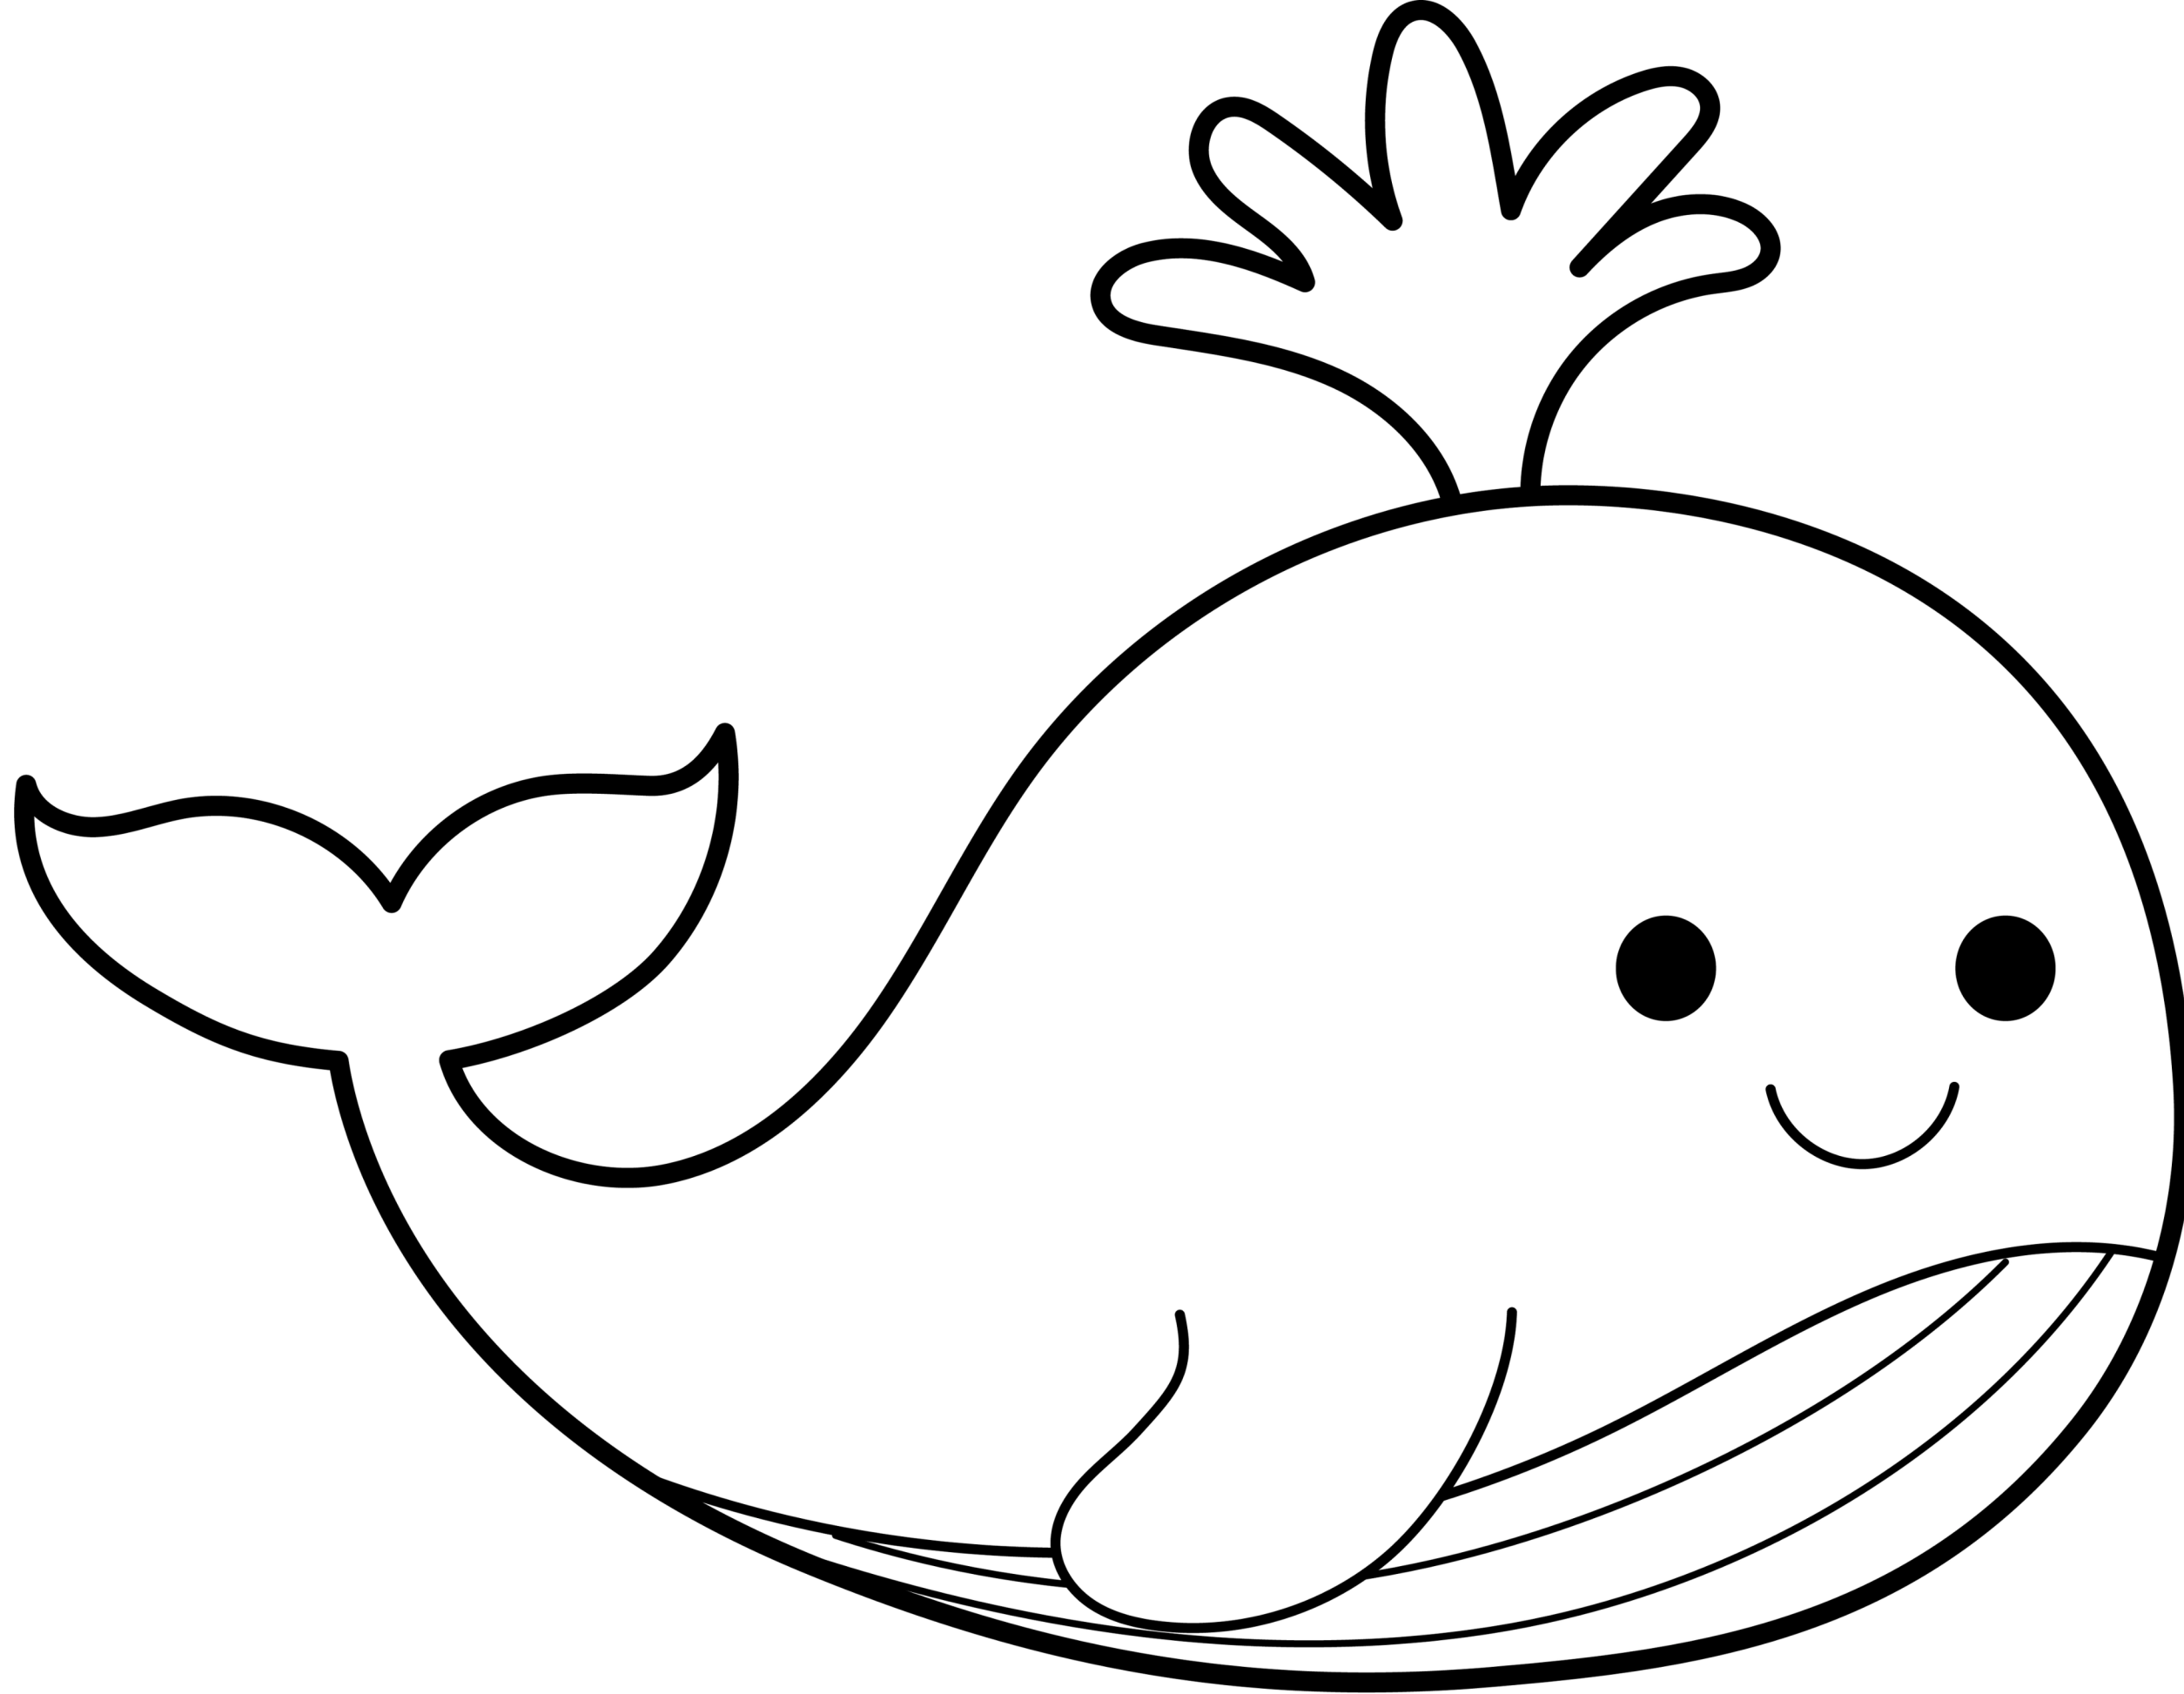

**Jo-nah, Jo-nah  
don't yah know yah  
that God knows yah  
and He will show yah  
what way to go nah  
Jo-nah, Jo-nah**

**let's sing a song about Jo-nah**

**The fish spit Jo-nah out  
on dry land.  
This time, Jo-nah went  
Jo-nah followed God's  
Command  
and told the people to repent  
The people obeyed  
and changed their ways,  
and God forgave their sins  
now everyone knows that  
God always wins!**

**Jo-nah, Jo-nah  
don't yah know yah  
that God knows yah  
and He will show yah  
what way to go nah  
Jo-nah, Jo-nah  
let's sing a song about Jo-nah**
