Oceanside Local Measures

Both major local measures on the ballot *are opposed* by fiscal conservative organizations like Reform California and the San Diego Republicans:

- Measure R (Charter Amendment):NO.
 - Fiscal groups oppose this measure due to provisions altering prevailing wage laws and project labor agreements.
- Measure S (Sales Tax Increase):NO.

Local conservative guides heavily oppose this proposed half-cent sales tax increase, advocating for reduced government spending rather than tax hikes.

Esther Sanchez desperately wants measure S - she says we have to “trust” her that she will spend it correctly - if you drive down our streets and have lost a tooth because of the treacherous potholes and street erosion - we know she has not and will not do this - VOTE NO on measure S

Statewide Propositions

Proposition 3 (High-IncomeTaxforEducation): NO.

Proposition 39 (Voter Identification):YES.

Supported by conservative leaders as a standard election integrity safeguard requiring photo ID for in-person voting and verification for mail- in ballots.

Proposition 40 (Wealth/Billionaire Tax): NO.

Opposed by business and conservative coalitions as an unstable tax mechanism that risks driving wealth out of the state.

Propositions 41 & 42 (Tax Restrictions and Spending Audits): YES.

Supported by fiscal watchdogs to enforce strict audits on special taxes and restrict new asset or retirement savings taxes.
